DO NOT STAMMER

Our new Institute provides accommodation for one hundred students. Surroundings home-like, moral and wholesome. Cures lasting and permanent. Our 200 page book, "The Origin and Treatment of Stammering," sent free to physicians upon request. Read our adv. opp. Class. Schools for Stammerers.
THE LEWIS SCHOOL FOR STAMMERERS,
35-41 Adelaide Street, Detroit, Mich., U. S. A.

NORTH CAROLINA.

CAPITAL, RALEIGH.

Population of State, 1,893,810.
(U. S. Census of 1900.)
Number of Physicians, 1,812.

North Carolina extends from 33 degrees 53 minutes to 36 degrees 33 minutes north latitude, and from 75 degrees 25 minutes to 84 degrees 30 minutes west longitude, and is bounded on the north by Virginia, on the west by Tennesse, on the south by South Carolina and Georgia, and on the east by the Atlantic ocean. It comprises an area of 50,704 square miles, or 32,450,500 acres.

The climate is warm, the mean annual temperature being 58.52, that of the summer 77.24, and of the winter 40.14. The average annual rainfall is about 43 inches.

The following table shows the increase in population for 70 years:

1830.....	737,987	1870.....	1,071,361
1840.....	753,419	1880.....	1,399,750
1850.....	869,039	1890.....	1,617,947
1860.....	992,622	1900.....	1,893,810

For list of Medical Colleges, see page 152.

THE LAWS REGULATING THE PRACTICE OF MEDICINE IN NORTH CAROLINA.

Section 3121. Medical Society of the State, a Body Politic. Private Laws, 1858-'9, c. 258, s. 1:

The association of regularly graduated physicians, calling themselves "The State Medical Society," is hereby declared to be a body politic and corporate, to be known and distinguished by the name of "The Medical Society of the State of North Carolina."

Section 3122. Who May Practice. 1858-'9, c. 258, s. 2:

No person shall practice medicine or surgery, nor any of the branches thereof, nor in any case prescribe for the cure of disease for fee or reward, unless he shall have been first licensed so to do in the manner hereinafter provided.

Section 3123. Board of Physicians to Consist of Seven. 1858-'9, c. 258, ss. 3, 4:

In order to the proper regulation of the practice of medicine and surgery, there shall be established a board of regularly graduated physicians, to be known by the title of "The Board of Medical Examiners of the State of North Carolina," which shall consist of seven regularly graduated physicians.

Section 3124. Duty of Board. 1858-'9, c. 258, s. 5:

It shall be the duty of the said Board to examine all applicants who shall exhibit a diploma, or furnish satisfactory proof of graduation, from a medical college in good standing, requiring an attendance of not less than three years and supplying such facilities for clinical instruction as shall meet the approval of the said Board, for license to practice medicine, or surgery, or any of the branches thereof, on the following branches of medical science: Anatomy, Physiology, Surgery, Pathology, Medical Hygiene, Chemistry, Pharmacy, Materia Medica, Therapeutics, Obstetrics, and the Practice of Medicine, and if on such examination they be found competent, to grant to each applicant a license or diploma, authorizing him to practice medicine and surgery, or any of the branches thereof: Provided, five members of the Board shall constitute a quorum and four of those present shall be agreed as to the qualifications of the applicant: Provided, that the requirement of three years' attendance shall not apply to those graduating prior to January first, 1900: Provided further, that license or other satisfactory evidence of standing as a legal practitioner in another State shall be accepted in lieu of a diploma and entitle to examination.

Section 3125. Temporary License. 1858-'9, s. 258, s. 7:

To prevent delay and inconvenience, two members of the Board of Medical Examiners may grant a temporary license to any applicant who shall comply with the requirements as to graduation prescribed in section three thousand one hundred and twenty-four as amended, and make report thereof to the next regular meeting of the Board: Provided, such temporary license shall not continue in force longer than the next regular meeting of the Board, and such temporary license shall in no case be granted after the applicant has been refused a license by the Board of Medical Examiners.

Section 3125. Temporary License. 1858-'9, c. 258, s. 7:

The Medical Society shall have power to appoint the Board of Medical Examiners.

Section 3127. Where and When to Assemble. 1870-'1, c. —, s. 11:

The Board of Medical Examiners shall assemble at the same time and place when and where the Medical Society assembles, which Society shall assemble at least once in every year at such time and place as the said Society, at its next preceding meeting, shall have fixed; and the said Board shall remain in session from day to day until all applicants who may present themselves for examination within the first five days after its meeting shall have been examined and disposed of: Provided, that the said Board may, at its discretion, meet not more than one week before the said Society, but always in the same place; and that one additional meeting in each year may be held at some suitable point in the State if deemed advisable.

Section 3128. Officers, etc. 1858-'9, 258, s. 11:

The Board of Medical Examiners are authorized to elect all such officers and to frame all such by-laws as may be necessary, and in the event of any vacancy by death, resignation or otherwise, of any member of said Board, the Board, or a quorum thereof, is empowered to fill such vacancy.

Section 3129. The Board of Examiners to keep a Record. 1858-'9, c. 258, s. 12:

The Board of Examiners shall keep a regular record of its proceedings in a book kept for that purpose, which shall always be open for inspection, and shall cause to be entered on a book kept for the purpose the name of each applicant licensed to practice medicine and surgery, and the time of granting the same, together with the names of the members of the Board present, and shall publish the names of those licensed in two of the newspapers published in the city of Raleigh, within thirty days after the granting of the same.

Section 3130. License. 1858-'9, c. 258, s. 13:

The Board shall have power to demand of every applicant thus licensed the sum of ten dollars before issuing a license or diploma, and the sum of five dollars for each temporary license, to be paid to the Secretary of the Board.

Sec. 3131. The Board; their Compensation. 1870-'1, c. —, s. 14:

The members of the said Board shall each receive as a compensation for their services four dollars per day during the time of their session, and in addition thereto their traveling expenses to and from their places of meeting by the most direct route from their respective places of residence, to be paid by the Secretary of the Board out of any moneys in his hands, upon the certificate of the President of the Board of Medical Examiners.

Section 3132. Practicing Without License. 1858-'9, c. 258, s. 15; 1885, c. 117 and 261:

Any person who shall practice medicine or surgery without having first applied for and obtained license from the said Board of Examiners, shall not be entitled to sue or recover before any court any medical bill for services rendered in the practice of medicine or surgery or any of the branches thereof. And any person who shall begin the practice of medicine or surgery in this State for fee or reward,

THE
KEELEY INSTITUTE,
MARION, INDIANA.

FOR THE CURE OF
LIQUOR and DRUG HABITS
The Treatment is identical with that used by the late DR. LESLIE E. KEELEY. The time spent with us is like a PLEASANT VACATION TO THE PATIENT.

after the passage of this act [March 7th, 1885], without first having obtained license from said Board of Examiners, shall not only be entitled to sue for or recover before any court any medical bill for services rendered in the practice of medicine or surgery, or any of the branches thereof, but shall also be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than twenty-five dollars, nor more than one hundred dollars, or imprisoned at the discretion of the court, for each and every offense: Provided, that this act shall not be construed to apply to women who pursue the vocation of a midwife: And provided further, that this act shall not apply to any reputable physician or surgeon resident in a neighboring State or coming into this State for consultation with a registered physician resident therein. But this proviso shall not apply to physicians resident in a neighboring State regularly practicing in this State: Provided, that this section shall not apply to physicians who have a diploma from a regular medical college, and were practicing medicine or surgery in this State prior to the seventh day of March, one thousand eight hundred and eighty-five.

Section 3133. May Rescind License. 1858-'9, c. 258, s. 16:

Said Board shall have the power to rescind any license granted by them when, upon satisfactory proof, it shall appear that any physician thus licensed has been guilty of grossly immoral conduct.

Section 3134. Secretary. 1858-'9, c. 258, s. 17:

The Secretary of the Board of Medical Examiners shall give bond, with good security, to the President of the Board, for the safe-keeping and proper payment of all moneys that may come into his hands.

Registration. 1889, c. 181, ss. 3 (in part), 4, 5, 6, 7:

Section 3. That chapter thirty-four of The Code be amended by striking from section three thousand one hundred and twenty-five the words "for confirmation," and by adding immediately after section three thousand one hundred and thirty-four the following words: "Any person who shall begin the practice of medicine or surgery in this State after the passage of this act shall personally appear before the Clerk of the Superior Court of the county in which he resides or practices within thirty days after obtaining a license from the Board of Medical Examiners of the State, as now provided by law for registration."

Section 4. That any person applying for registration as herein provided shall produce and exhibit before the Clerk of the Superior Court a license obtained from the Board of Medical Examiners aforesaid; and upon such exhibit being made as aforesaid the Clerk shall register the date of registration with the name and residence of such applicant in a book to be kept for this purpose in his office, marked "Register of Physicians and Surgeons," and shall issue to him a certificate of such registration under the seal of the Superior Court of the county upon the form furnished him, as hereinafter provided, for which the Clerk shall be entitled to collect from said applicant a fee of twenty-five cents. The person obtaining said certificate shall be entitled to practice medicine or surgery, or both, in the county where the same was obtained, and in any other county in this State; but if he shall remove his residence to another county he shall exhibit the said certificate to the Clerk of such other county and be registered, which registration shall be made by said Clerk without fee or charge: Provided, that any one having obtained a temporary license, as provided in section three thousand one hundred and twenty-five of The Code, shall not be entitled to register, but may practice during the time such license shall remain in force.

Sec. 5. That any person who shall practice medicine or surgery in this State without first having registered and obtained the certificate as aforesaid shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than twenty-five dollars nor more than one hundred dollars, or be imprisoned at the discretion of the Court, for each and every offense: Provided, this act shall not apply to women pursuing the vocation of midwife, nor to reputable physicians or surgeons resident in a neighboring State coming into the State for consultation with a registered physician of this State.

Section 6. That any Clerk of the Superior Court who shall register or issue a certificate to any person in any other manner than that prescribed by this act shall be guilty of a misdemeanor, and upon conviction thereof shall be fined not less than two hundred dollars and shall be removed from office.

Section 7. That is shall be the duty of the Medical Society of the State of North Carolina to prescribe a proper form of certificate required by this act.

BY-LAWS, RULES AND REGULATIONS OF THE BOARD OF MEDICAL EXAMINERS OF THE STATE OF NORTH CAROLINA.

THE BOARD.

Section 1. The Board shall meet on Wednesday afternoon preceding the regular meeting of the Medical Society of the State of North Carolina, at the place designated for the meeting of said Society and at such other time and place as may be deemed necessary. It shall continue in session until all business regularly coming before it is disposed of.

Section 2. Each member of the Board shall attend promptly on the first day of the session. He shall absent himself from no meeting without a satisfactory excuse; should he do so for two successive meetings, the Board shall declare his place vacant and proceed to fill same as provided by law.

Section 3. The officers of the Board shall be a President, Secretary, and Treasurer.

Section 4. The President shall be the executive officer of the Board, presiding at all meetings, and exercising a general supervision over all business of the Board.

Section 5. The office of Secretary and Treasurer shall be combined. He shall perform the usual duties pertaining to those offices, collect all fees, keep accurate account of same, pay out all money upon proper voucher, register candidates, conduct all correspondence relating to the business of the Board, keeping copy of all letters written and file all letters received, give due notice of all regular special meetings of the Board, and furnish information at all times in regard to matters

ANTIKAMNIA PREPARATIONS
PLEASE SEE PAGE 3 FOR PARTICULARS

pertaining to the Board. He shall be custodian of all books, papers and records of the Board, and shall see that same are carefully preserved for transmission to his successor, and shall perform such other duties as may be assigned to him. He shall give bond to the Board for the proper keeping and accounting of all money coming into his hands, in the sum of one thousand dollars ($1,000). He shall receive such compensation for his services as the Board may see fit to allow, not exceeding two hundred dollars ($200) per annum.

APPLICANTS FOR LICENSE.

Section 6. All who contemplate applying to the Board for license must be present on the first day of the regularly advertised meetings and register with the Secretary at the time appointed for registration, due notice of which will be given. No registration will be allowed after the completion of the first examination, except by special permission of the Board. Each applicant shall present his diploma and file with the Secretary of the Board, at the time of registration, a certificate of good moral character attested by two persons known to the Board, and pay the fee of ten dollars (which fee shall be returned in the event of the applicant's rejection). He shall also present a signed certificate, on a blank to be furnished by the Secretary, setting forth in detail his name in full, place and date of birth, present residence, the month and years, with names of colleges in which he (or she) studied medicine, the opportunities afforded the applicant for clinical instruction, with the date and college of graduation in medicine, and names of two references as to personal character. When all applicants have been registered these papers shall immediately be sealed by the Secretary, and kept unopened until after the ballot upon the numbers of the applicants shall have been had, when they shall be opened to complete the records.

Section 7. Applicants will not be allowed to leave the examination room unless accompanied by a member of the Board, or to communicate with one another for any purpose whatever after the examination is commenced.

Section 8. Each applicant before handing his papers to the examiners shall sign a pledge with his number, stating that he has neither given nor received assistance during the examination. Should any one be found guilty of violating this pledge, he shall be rejected and debarred from re-examination for two years.

Section 9. Each member of the Board shall on the first day of each session submit for the consideration of the entire Board a copy of the questions he proposes to require answered by the applicants upon his branch, and the Board may alter or amend the same before approval. The order in which the different examinations are to be conducted shall be determined by lot at this meeting also, though the first and second examinations are, as a rule, accorded the President and Secretary.

Section 10. The examinations will commence on Thursday at 9 a. m. following the first day of the session, and shall continue until completed (except on Sunday), not to exceed five hours being allowed to each branch, with proper allowance for rest and recreation as the Board may deem necessary.

Section 11. All examinations shall be written unless by special permission. The applicant shall write only on the paper furnished by the Board, and the carrying into the examination hall of any other paper, books or materials calculated to aid in any way in the examinations is strictly forbidden. The violation of this rule will in all cases excuse applicants from further attendance on the examinations. At the end of each examination papers he shall sign his number (under no circumstances his name or any sign or token indicative of the same) and affix the pledge thereto.

Sec. 12. When an applicant registers with the Secretary he shall be given an envelope with a number on the outside and a blank card on the inside; on receiving this, applicant will write his full name and address on the card, replace same in envelope, seal the envelope and return at once to the Secretary, who shall carefully preserve same. Each applicant shall have a separate table assigned him numbered to correspond with the number on his envelope. He will be allowed to use no other during the examination, and will be designated by this same number when each examiner grades his examination, and voted on by it also, in the ballot had when the grades of all the examiners are summed up and compared.

Section 13. Not less than two members of the Board shall always be present during the progress of an examination, one of whom shall be engaged in no other business than supervising the examination. He shall note carefully any irregularities and report the same to the Board.

Section 14. To secure license an average grade of not less than 80 (maximum 100) will be required of each applicant. When the Board shall have concluded the examinations a vote shall be taken in the following way: A number is announced, when each examiner in turn, after consulting his record, votes the grade made by the applicant bearing that number upon the examination on his branch. The average grade is ascertained, when if 80, or above, the number is declared elected; and when below 80, rejected. The envelope bearing the corresponding number is then opened and the name of the applicant ascertained, when the number, vote and name are recorded and the consideration of the next number taken up and disposed of in like manner.

Section 15. An applicant receiving a grade of 35, or less, on any one branch, regardless of his grade on other branches, shall be rejected. A vote rejecting an applicant cannot be reconsidered except to correct a manifest mistake, or by unanimous consent of the Board. An applicant rejected at a regular session of the Board shall not be considered eligible to apply for temporary license during the interval between the time of such rejection and the next session of the Board, though he may be examined regularly at the next session of the Board following his rejection.

Section 16. Visitors will not be allowed in the examination hall during the examination, except by permission of the examiner in charge, and under no circumstances shall such visitor communicate with an applicant without permission.

NORTH DAKOTA.

CAPITAL, BISMARCK.

Population of State, 437,070.
(State Census of 1905.)
Number of Physicians, 446.

North Dakota, known as the "World's Bread Basket," from its wealth of wheat crop, was admitted to the Union in 1889 and has, according to the United States Census of 1900, a population of 319,146, as compared with a population in 1890 of 182,719, showing an increase during the decade of 136,427, or 74.7 per cent., the largest percentage of increase of any state in the Union except one. It extends from 46 degrees to 49 degrees north latitude, and from 96 degrees, 22 minutes, 30 seconds to 104 degrees west longitude, and is bounded on the north by the British Possessions, on the west by Montana, on the east by Minnesota, and on the south by South Dakota. It is 212 miles in length, has an average breadth of 340 miles, and comprises an area of 72,312 square miles.

The temperature varies during the year from 49 degrees below zero to 107 Fahrenheit. The winters are cold and much snow falls. The average rainfall is about 18 inches. The atmosphere is clear and dry, and owing to the elevation malarial diseases are nearly unknown, whilst pulmonary complaints are comparatively rare. There is an earlier spring than in eastern states in same latitude.

STATE BOARD OF HEALTH.

Pres, Attorney-General C N Frich, Lakota; V-Pres, E C Haagensen, M D, Hillsboro; Sec, H H Healy, Grand Forks.

SYNOPSIS OF NORTH DAKOTA MEDICAL LAW

State certificates authorizing the practice of medicine and surgery in the State of North Dakota are issued by the State Board of Medical Examiners upon complying with the following requirements, based upon "an Act to regulate the practice of Medicine and Surgery in the State of North Dakota," becoming operative July 1, 1905, the text of which appears below.

The applicant must file with the Secretary, at his office in Grand Forks, the application, fully and properly filled out and attested by notary public or other officer qualified by law to administer oath. Application must be accompanied by fee of twenty dollars, and for the purpose of verification diploma of medical institution of which applicant is a graduate.

Application must be filed on or before the fifteenth of the month preceding the examination.

The applicant must pass an examination in those general subjects and topics, a knowledge of which is commonly required of candidate for the degree of Doctor of Medicine by reputable medical colleges in the United States.

The Board has no power to grant temporary permits.

Examinations are in writing and are held in Grand Forks, beginning on the first Tuesday of January, April, July and October of each year. Each examination covers a period of three days.

A general average of not less than 75 per cent is required and an applicant must not fall below 65 per cent in any branch.

It is the aim of this Board to effect mutual reciprocal relations with all State Boards having a standard equal to our own, such reciprocity becoming operative for certificates granted on and after the date of July 1st, 1905.

In cases of application for endorsement by reciprocity the secretary shall decide provisionally whether applicant is entitled to be so admitted, but his action is not final or binding upon the Board and if not approved by the whole Board he must present himself for examination at the first following examination.

For all graduates of 1905 and thereafter we insist upon the minimum entrance and curriculum adopted by the Am. Confederation of Reciprocating, Examining and Licensing Boards, and no college failing to conform to the some will be regarded as "reputable" within the meaning of the law.

EXAMINATIONS, HOW CONDUCTED; LICENSES, WHEN REVOKABLE.

All persons before commencing the practice of medicine, surgery or obstetrics in this state shall apply to the board of medical examiners for a license so to do, and such applicant shall submit to an examination in the following subjects: Anatomy, physiology, chemistry, pathology, therapeutics, diseases of women and children, nervous diseases, diseases of the eye and ear, medical jurisprudence and such other subjects as the board deems advisable, and present evidence of having graduated from a reputable medical college and attended three courses of lectures of at least six months each; provided, however, that after the year 1904, applicants must present evidence of having graduated from a reputable college, and attended four courses of lectures of at least eight months each; and the board shall cause such examination to be practical and scientific and sufficient to test the candidate's fitness to practice medicine, surgery and obstetrics; provided, however, that the examination of any applicant in therapeutics shall be conducted by the member or members of said board who represent the system of medicine of which such applicant has been a student. If there be no representative of the school or system of which the applicant has been a student, the examination in therapeutics shall be conducted by an examiner appointed for that purpose by the governor of North Dakota, but all other examinations other than that in therapeutics shall be conducted as heretofore provided by this act. If such applicant passes the prescribed examination, the board shall grant him a license to practice medicine, surgery and obstetrics in this state, which license shall be signed by the president and secretary of the board and attested by the seal thereof. The fee for such examination shall be twenty dollars, to be applied by the board toward paying the expenses thereof. The board, in its discretion, may grant license for the same fee without examination to applicants examined and licensed by other state examining boards maintaining standards not lower than those provided for in this article. The board may revoke or refuse a license for dishonorable or immoral conduct, chronic or persistent inebriety or mental aberration, excessive use of narcotics, or for the practice of criminal abortion. In complaints for violating the provisions of this section the accused shall be furnished with a copy of the complaint and be given a hearing before the board in person or by attorney.

Sec. 280. Penalty for Practicing Without a License.—Any person practicing medicine, surgery and obstetrics, without a license, or otherwise violating the provisions of this article, is guilty of a misdemeanor, and upon conviction thereof is punishable by a fine of not less than fifty nor more than one hundred dollars, or by imprisonment in the county jail not exceeding thirty days, or by both. Nothing in this act shall be construed so as to prohibit gratuitous assistance to a sick or injured person in case of emergency.—H. M. Wheeler, Secretary State Board of Medical Examiners, Grand Forks.

The Physician makes HEALTH to order for the Human Race

OHIO.

CAPITAL, COLUMBUS.

Population of State, 4,157,545.
(U. S. Census of 1900.)
Number of Physicians, 8,582.

Ohio was organized as a state, November 19, 1802. It has, according to the United States Census of 1900, a population of 4,157,545, as compared with a population in 1890, of 3,672,316, representing an increase during the decade of 485,229 or 13.2 per cent. The following table shows the increase in population since 1800:

1800	45,365	1860	2,339,511
1810	230,760	1870	2,665,260
1820	581,295	1880	3,198,062
1830	937,903	1890	3,672,316
1840	1,519,467	1900	4,157,545
1850	1,980,329		

The total land surface of Ohio is, approximately, 40,760 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 90.1; 1900, 102.0. It extends from 38 degrees, 25 minutes, to 42 degrees north latitude, and from 80 degrees, 28 minutes, to 84 degrees, 42 minutes west longitude, and is bounded on the north by Michigan and Lake Erie, on the south and southeast by the Ohio river, which separates it from Kentucky and West Virginia, on the east by Pennsylvania, and on the west by Indiana. The climate is mild and salubrious. The mean annual temperature is about 50 degrees in the northern tier of counties; 51 degrees in the central part of the state, and 54 degrees in the most southerly parts, along the banks of the Ohio river. The average rainfall is about 41 inches, being the greatest along the valley of the Ohio.

Ohio has no elevations that could be termed mountains, but it is far from being a level plain. With the exception of the northwestern part, it is a tableland, having a mean elevation above the sea of 1,000 feet ,the inequalities of which are the result of the erosion or excavation of valleys and ravines by streams of water. A ridge or rather a swell of the ground forms the divide between the waters flowing north into Lake Erie and those flowing south into the Ohio river. Near the 40th parallel extends a belt of hills from east to west, through the middle of the state, abounding in highly picturesque scenery. Toward the south the valleys cut out by the streams grow deeper and deeper, until they reach the valley of the Ohio river, which is several hundred feet below the general level of the state. The surface of that part of the state which lies north of the watershed is generally level, and has a gentle inclination toward the lake.

Ohio has a large number of rivers and a lake front of 230 miles. The principal rivers are the Ohio, Little Beaver, Muskingum, Hocking, Scioto, Mahoning, Little Miami, Great Miami, Vermillion, Ashtabula, Cuyahoga, Portage, Maumee, Sandusky, Huron, Black, Chagrin and Rocky.

PLAN OF OPERATION

The cardinal principles upon which the Ohio Sanatorium Company institutions are operated are thoroughness in diagnosis, completeness in means and methods of treatment, skillfulness in care and attention.

THE EXAMINATION ROOMS

Provide for bacteriological research; haematological study; analytical examinations of all kinds; X-Ray and Radiographic demonstrations; the taking of blood pressure; the measuring of muscular strength; the charting and outlining of organic defects; the determining of mental and physical inequalities. The acquirement of all knowledge pertaining to each case is conducted with the greatest care and precision with the latest and best appliances and apparatus.

THE TREATMENT ROOMS

Provide for the administration of all forms of surgery, orthopedy, hydrotherapy, electrotherapy, thermotherapy, phototherapy, mechanical and manual massage, Swedish movements, etc., etc. Treatments administered by trained assistants, educated attendants, medical and surgical experts.

For full information write for house book.

STATUTES OF OHIO REGULATING THE PRACTICE OF MEDICINE AND SURGERY.

Passed Feb. 27, 1896—House Bill No. 76. Amended April 14, 1900—House Bill No. 221. Amended April 21, 1902—House Bill No. 170.

AN ACT TO REGULATE THE PRACTICE OF MEDICINE IN THE STATE OF OHIO.

Section 1. Be it enacted by the General Assembly of the State of Ohio, that Section 4403, Revised Statutes of Ohio, be amended so as to read as follows:

Sec. 4403. Within thirty days after the passage of this act, the governor, by and with the advice and consent of the Senate, shall appoint a State Board of Medical Registration and Examination, consisting of seven members, one to serve for one year, one for two years, one for three years, one for four years, one for five years, one for six years and one for seven years, and the successors of each for the term of seven years, who shall be physicians in good standing in their profession, representation to be given to schools of practice in the state as nearly as possible in proportion to their numerical strength in the state, but no one school to have a majority of the whole Board. The Board shall organize by electing a president and a treasurer, who shall be members of the Board, and a secretary, who shall be a physician in good standing in his profession, each to serve for the term of one year. The treasurer shall give a bond in the sum of ten thousand dollars, with sureties approved by the Board, for the faithful discharge of his duties. The secretary shall receive a salary of not exceeding fifteen hundred dollars per annum, to be fixed by the Board, and his necessary expenses in performing his official duties. The members of the board shall each receive ten dollars per day for the time actually employed in the discharge of their duties and their necessary expenses while engaged therein. The Board shall have a common seal, and shall formulate rules to govern its action. Its president and secretary shall have the power to administer oaths. The Board shall meet in Columbus on the first Tuesday of January, April, July and October of each year, and at such other times as the Board may appoint. Five members shall constitute a quorum. The Board shall keep a record of all its proceedings, and a register of all applicants for certificates, giving the name and location of the institution granting the applicant the degree of doctor of medicine or surgery, and also whether the applicant was rejected or a certificate granted. The books and register of the Board shall be prima facie evidence of all matters recorded therein.

It will be noticed that Section 4403a and Section 4403b, enacted February 15, 1881 (78 O. L., 27), were not amended or repealed by this act, and they are inserted here to give the complete law as it stands in Ohio at the present date.

Sec. 4403a. Whoever shall make, issue, or publish, for purpose of sale, barter, or gift, any certificate, diploma, or other writing or document falsely representing the holder or receiver thereof to be a graduate of any medical school, or college, or of any educational institution of medicine whatsoever, and entitled to the powers, privileges, or degrees thereby pretended to be conferred; or whoever shall sell, or otherwise dispose of, or offer to do so, any such diploma, certificate, writing or document containing the false representation aforesaid; or whoever shall use his name, or permit the same to be used, as a subscriber, for any purpose or in any capacity, to such false and fictitious diploma, certificate, writing, or document aforesaid, upon conviction thereof, shall be subject to the penalty prescribed in section four thousand four hundred and three (b).

Sec. 4403b. Whoever shall make, issue, or publish, or cause to be made, issued, or published, for the purpose of sale, barter, or gift, any diploma, certificate, or writing representing the holder thereof to be a graduate of any medical school, or college, or of any educational institution of medicine whatsoever, unless such holder shall have, in fact, attended a complete course of instruction in such school, college, or institution for medical teaching, which course shall be equal to the average course of instructions in other schools, colleges, or institutions, where the various branches of medicine are taught as a science,in good standing in the State of Ohio, upon conviction thereof, shall be fined in any sum not exceeding one thousand dollars, nor less than one hundred dollars, or imprisoned in the penitentiary not more than three years, nor less than one year, or both, at the discretion of the court.

Section 1. That Section 4403c, enacted by Section 2, of an act entitled "An act to regulate the practice of medicine in the State of Ohio," passed February 27, 1896, be amended so as to read as follows:

Sec. 4403c. No person shall practice medicine, surgery or midwifery in any of its branches in the State of Ohio, without first complying with the requirements of this act. All persons authorized and entitled prior to July 1, 1900, to practice medicine, surgery, or midwifery in the State of Ohio, under and by virtue of the provisions of an act, entitled, "An act to regulate the practice of medicine in the State of Ohio," passed February 27, 1896, to which this act is amendatory, may engage in such practice, and shall be subject to the law regulating the same; all other persons desiring to engage in such practice in this state, shall apply to the State Board of Medical Registration and Examination for a certificate, and submit to the examination hereinafter provided, except that all medical students who were on January 1, 1900, matriculated in any medical college in the State of Ohio, recognized by the State Board of Medical Registration and Examination of Ohio, and who shall have graduated subsequent to January 1, 1900, and who shall file their diplomas for registration prior to July 1, 1904, shall receive certificates under the provisions of the act of February 27, 1896, to which this act is amendatory. The applicant shall file with the secretary of the Board a written application on a form prescribed by the Board, verified by oath, and furnish satisfactory proof that he is more than twenty-one years of age, and is of good moral character. In the application, as a condition of admission to the examination, he shall produce either of the following credentials: A diploma from a reputable college granting the degree A. B., B. S., or equivalent degree; a diploma from a normal school, high

Oppenheimer Institute
159 West 34th St., New York City
Successfully treats Alcoholism and all forms of Drug Addiction. (See page 9.)

school or seminary, legally constituted, issued after four years of study; a teacher's permanent or life certificate; a medical student's certificate issued upon examination by any state board; a student's certificate of examination for admission to the Freshman class of a reputable literary or scientific college; or a certificate of his having passed an examination conducted under the direction of the State Board of Medical Registration and Examination by certified examiners, none of whom shall be either directly or indirectly connected with a medical college; said examination to be held simultaneously in Cincinnati, Cleveland, Columbus and Toledo, and the questions submitted to be uniform at such places; and has either received a diploma from some legally chartered medical institution in the United States in good standing at the time of issuing such diploma, as defined by the Board; or a diploma or license approved by the Board, which has conferred the full right to practice all branches of medicine or surgery in some foreign country. With the application, the applicant shall present his diploma or license, as above defined, and accompanying the same, shall file his affidavit duly attested, stating that he is the person named in the diploma or license and is the lawful possessor of the same, and giving his age, residence, the college or colleges at which he obtained his medical education, the time spent in each college, the time spent in the study of medicine, and such other facts as the Board may require; if engaged in the practice of medicine, the applicant shall state the period during which, and the place at which, he has been engaged in the practice of medicine or surgery. If the Board shall find that the applicant has obtained any one of the credentials heretofore defined, as a condition of his admission to the examination, and shall find his diploma to be genuine, and from a legally chartered medical institution in the United States in good standing as determined by the Board, or shall find the license to be genuine, and such as to confer upon the applicant the full right to practice all branches of medicine or surgery in the foreign country in which he obtained it, and of a standard approved by the Board; and shall find the person named in the diploma or license is the person holding and presenting the same, and is of good moral character, the board shall admit such applicant to an examination. All examinations shall be conducted under the rules formulated by the Board. Each applicant shall be examined in anatomy, physiology, pathology, chemistry, materia medica and therapeutics, the principles and practice of medicine, surgery, obstetrics, and such other subjects as the Board may require. The applicant shall be examined in the materia medica and therapeutics, and the principles and practice of medicine, of the school of medicine in which he desires to practice, by the member or members of the Board representing such school. If an applicant passes an examination satisfactory to the Board, and has paid the fee as hereinafter provided, it shall issue its certificate to that effect, signed by its president and secretary, and attested by its seal, which, when left with the Probate Judge for record, as hereinafter required, shall be conclusive evidence that its owner is entitled to practice medicine or surgery in this state. The Board may refuse to grant a certificate to any person guilty of fraud in passing the examination, or guilty at any time of felony or gross immorality, or addicted to the liquor or drug habit to such a degree as to render him unfit to practice medicine or surgery; and may, after notice and hearing, revoke a certificate for like cause or causes. An appeal may be taken from the action of the Board, refusing to grant or revoking a certificate, for such causes, to the Governor and Attorney-General, and the decision of these officers, either affirming or overruling the action of the State Board, shall be final. An affirmative vote of not less than five members shall be required to authorize the issuance of a certificate. The fee for an examination shall be $25, which shall not be returned in case of a failure to pass such examination, but the applicant may, within a year after such failure, present himself and be examined again without the payment of an additional fee. All fees shall be paid in advance to the treasurer of the Board, and by him converted into the State Treasury, to the credit of a fund which is hereby appropriated for the use of the State Board of Medical Registration and Examination. The compensation and expenses of members and officers of the Board, and all expenses proper and necessary, in the opinion of the Board, to discharge its duties and enforce the law, shall be paid out of said fund, upon warrant of the Auditor of State, issued upon requisition signed by the president and secretary of the board. Provided, that nothing contained in this section shall be construed to compel any person holding or obtaining, prior to July 1, 1900, a certificate from the Board, under the act to which this act is amendatory, entitling such person to practice medicine or surgery in this state, or any medical student who was matriculated on January 1, 1900, in any medical college in the state of Ohio, recognized by the state board of medical registration and examination of Ohio, and who shall have graduated subsequent to January 1, 1900, and who shall file his or her diploma for registration prior to July 1, 1904, to file an application and submit to the examination herein required. Provided, further, that the board may, in its discretion, dispense with an examination, in the case of a physician or surgeon duly authorized to practice medicine or surgery in any other state, territory or the District of Columbia, who may desire to change his residence to Ohio, and who makes application on a form to be prescribed by the board, accompanied by a fee of fifty dollars, and presents a certificate or license issued after an examination by the medical board of such state, territory or the District of Columbia, accorded only to applicants from state, territories and districts whose laws demand qualifications of equal grade with those required in Ohio; but such examination shall not be dispensed with unless under the law and regulations of the state, territory or the District of Columbia, equal rights and privileges are accorded to physicians and surgeons of Ohio, holding the certificate of the board, who may desire to remove to, and practice in such state, territory, or the District of Columbia.

Sec. 4403d. The person receiving a certificate to practice medicine or surgery under section 4403c, shall before entering upon the practice, leave his certificate

with the probate judge of the county in which he resides, for record. The probate judge shall record the same in a book to be kept for that purpose, and endorse on the margin of the record and on the certificate the time he received the same for record, and make proper index to all certificates by him recorded. The probate judge shall note in the margin of the record the revocation of a certificate, or any change in the location or death of the owner of a certificate. Upon application the probate judge shall make out a certified copy of any such certificate and the endorsements thereon, and such certified copy shall be prima facie evidence of all matters and facts therein contained. Between the first and thirty-first days of December in each year, the probate judge shall furnish the secretary of the state board a list of all certificates recorded and in force, and also a list of all certificates which have been revoked, or the owners of which have removed from the county or died during the preceding year.

In case of a change of residence, the owner of a certificate shall have the same recorded anew by the probate judge of the county into which he removes. For services under this section the probate judge shall receive the following fees: For recording and indexing each certificate, fifty cents, and for certified copies, the same fees as are allowed by law for copies and certificates or records kept by the probate judge, to be paid by the holder of the certificate.

Sec. 4403e. Every person practicing midwifery in this state at the time of the passage of this act, shall within ninety days thereafter file with the probate judge of the county in which she resides, an affidavit duly attested, giving her name, age, residence, the length of time during which, and the place or places at which she has been engaged in said practice, and the special education, if any, which she has received to fit her for such practice. Thereupon, upon payment of a fee of five dollars (fifty cents of which the probate judge shall retain as his own fee, and the balance remit to the treasurer of the state board of registration and examination), the probate judge shall issue a certificate, upon a blank form furnished by the state board, which shall entitle the applicant and holder to practice midwifery in this state. Such certificate shall be recorded by the probate judge, and in case of a transfer of residence, again recorded in the county to which the midwife removes, as provided by section 4403d' regulating the record of physicians' certificates. The probate judge shall, annually, between the first and thirty-first days of December, furnish the secretary of the state board a list of all such certificates issued and in force, and also a list of all such certificates which have been revoked or the owners of which have removed from the county, or died during the preceding year. All persons desiring, after the passage of this act, to enter upon the practice of midwifery in this state, shall appear before the state board and submit to such examination in midwifery as the board shall require. If the applicant passes a satisfactory examination, the board shall, upon the payment of a fee of ten dollars, issue its certificate to that effect, which when filed with the probate judge for record, as provided in section 4403d, shall entitle the owner and holder thereof to practice midwifery in this state. A certificate to practice midwifery may be refused or revoked for the same cause in the same manner as provided in section 4403c in the case of certificates to physicians and surgeons. The certificate granted to practice midwifery shall not give the holder the right to perform version, or treat breech or face presentation, or do any obstetric operation requiring instruments, or treat any other abnormal condition, except in emergencies.

Section 1. That Section 4403f, of the Revised Statutes of Ohio, be amended so as to read as follows:

Sec. 4403f. Any person shall be regarded as practicing medicine or surgery or midwifery within the meaning of this act who shall use the words or letters, "Dr.," "Doctor," "Professor," "M. D.," "M. B.," or any other title, in connection with his name, which in any way represents him as engaged in the practice of medicine or surgery or midwifery, in any of its branches, or who shall prescribe, or who shall recommend for a fee for like use any drug or medicine, appliance, application, operation or treatment of whatever nature, for the cure or relief of any wound, fracture or bodily injury, infirmity or disease. The use of any of the above mentioned words or letters, or titles in such connection, and under such circumstances as to induce the belief that the person who uses them is engaged in the practice of medicine or surgery or midwifery in any of its branches, shall be deemed and accepted as prima facie proof of an intent on the part of such person to represent himself as engaged in the practice of medicine or surgery or midwifery; provided, however, that nothing in this act shall be construed to prohibit service in the case of emergency, or the domestic administration of family remedies; and this act shall not apply to any commissioned medical officer of the United States army, navy or marine hospital service, in the discharge of his professional duties, nor to any legally qualified dentist when engaged exclusively in the practice of dentistry, nor to any physician or surgeon from another state or territory who is a legal practitioner of medicine or surgery in the state or territory in which he resides, when in actual consultation with a legal practitioner of this state, nor to any physician or surgeon residing on the border of a neighboring state, and duly authorized under the laws thereof to practice medicine or surgery therein, whose practice extends into the limits of this state; providing, that such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this state; nor to any osteopath who

The Physician makes HEALTH to order for the Human Race

shall pass examination in the subject of anatomy, physiology, obstetrics and physical diagnosis in the same manner as is required of other applicants before the state board of medical registration and examination, and who has thereupon received a certificate from the board, which, when filed with the probate judge as is required in the case of other certificates from the board, shall authorize the holder thereof to practice osteopathy in the state of Ohio, but shall not permit him to administer drugs nor to perform major surgery. Provided, that all applicants to practice osteopathy, shall, before being admitted to examination before the state board of medical registration and examination, file with the board, accompanied with a fee of twenty-five dollars ($25.00), evidence of preliminary education as required by section 4403c, and a certificate from the osteopathic examining committee as hereinafter provided, showing: First, that he holds a diploma or a physician's osteopathic certificate from a reputable college of osteopathy as determined by this committee; second, that he has passed examination in a manner satisfactory to the committee in the subjects of pathology, physiological chemistry, gynecology, minor surgery, osteopathic diagnosis, principles and practice of osteopathy. The state board of medical registration and examination shall within thirty days after the passage of this act, appoint upon recommendation of the Ohio Osteopathic Society, three persons, one for one year, one for two years and one for three years, and their successors to be appointed for three years each, who shall constitute the osteopathic examining committee. Each person so appointed shall file with the state board of medical registration and examination a certificate of the Ohio Osteopathic Society, a corporation duly organized and existing under the laws of the state of Ohio, setting forth that the person named in the certificate is a graduate of a reputable college of osteopathy; that he has been engaged in the practice of osteopathy in the state of Ohio for at least one year; that he is of good moral character and that he is in good standing in his profession. Any person engaged in the practice of osteopathy in this state at the time of the passage of this act, who holds a diploma from a regular college of osteopathy as determined by the committee, and who makes application to the state board of medical registration and examination within thirty days after the passage of this act, upon the payment of a fee of five dollars ($5.00), shall receive a certificate from the board without examination, which, when filed with the probate judge, as required in the case of other certificates from the board, shall authorize the holder thereof to practice osteopathy in the state of Ohio, but shall not permit him to administer drugs nor to perform major surgery. The board may, in its discretion, upon recommendation of the osteopathic committee and the payment by the applicant of a fee of fifty dollars ($50.00) issue certificates without examination to graduates of reputable schools of osteopathy who are of good moral character, and who, for five years or more, have been engaged in the practice of osteopathy in any other state. Any person announcing or advertising himself as an osteopath, who has not complied with the provisions of this act, shall be subject to the penalties provided in section 4403g. This committee shall meet at the office of the board at such time as the board may direct whenever there are applications for osteopathic certificates to be acted upon, but shall take no part in the deliberations of the board, and the compensation of its members shall be the same as of members of the board, and shall be paid in the same way.

Sec. 2. Section 4403f of the Revised Statutes of Ohio is hereby repealed and this act shall take effect, and be in force from and after its passage.

Sec. 4403g. Any person practicing medicine or surgery as defined in section 4403f in this state, without having first complied with the provisions of sections 4403c and 4403d, except as herein provided, shall be deemed guilty of a misdemeanor, and shall be fined not less than twenty dollars nor more than five hundred dollars, or be imprisoned in the county jail not less than thirty days, nor more than one year, or both. Any person practicing midwifery in this state without having complied with the provisions of section 4403e, except therein provided, shall be deemed guilty of a misdemeanor, and fined not less than twenty-five dollars nor more than one hundred dollars. Any person who shall file, or attempt to file as his, the medical diploma or certificate to practice of another, or shall file or attempt to file a false forged affidavit of his identity, or shall wilfully swear falsely to any question which may be propounded to him on his medical examination, or to any affidavit required to be made or filed by him, with the state board of medical registration and examination, shall be guilty of felony and be imprisoned in the penitentiary not more than five years, nor less than one year. Such fines when collected shall be paid one-third to the person, corporation or medical society making the complaint or furnishing the information, one-third to the poor fund of the county, and one-third to the state board of medical registration and examination. The secretary of the state board of medical registration and examination is charged with the duty of enforcing this act. If he has knowledge or notice that the act has been or is being violated, he shall investigate the matter, and upon probable cause appearing, shall file a complaint and prosecute the offender. It shall be the duty of the prosecuting attorney, when requested by such secretary, to take charge of and conduct such prosecutions.

Sec. 3. Original Sections 4403 and 6932 are hereby repealed, and this act shall take effect and be in force from and after its passage.

Our equipment is new and up-to-date. We offer good care, night attendants, comfortable rooms, good table, and constant personal supervision.

The Columbus, New Albany and Johnstown Street Cars to Door.

The building is warmed by hot water. Our lawn is ample and well shaded. Patients here find rest and comfort while being treated. Write us, state patient's condition in full and ask for rates and circular.

Professional Correspondence Solicited.

BISHOP McMILLEN, M. D., Supt. Address, SHEPARD, OHIO.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ⚕, Dentist. R D 1, Rural Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

KRETOL
Refined

Refined and distilled KRETOL is made into by-products, which are useful requisites to the lady's toilet; a most excellent preparation for softening the skin and beautifying the complexion. An excellent food for the skin and scalp. All Druggists, or The "Kretol" Co.

MURRAY OXYGEN COMPANY

(ESTABLISHED 1865.)

NEW YORK, PHILADELPHIA, BOSTON

MFG'S { PURE OXYGEN (90 Per Cent.)
OXYGEN COMPOUND
NITROUS OXIDE (Liquified)

MURRAY OXYGEN CO.,

410 Bleecker Street, - - - New York

TELEPHONE, 140 CHELSEA

OFFICE NEVER CLOSED

Using only the safest and most reliable Anesthetic.

Murray's Nitrous Oxide

Used by Specialists. **Does not affect the heart.**

Advised by College. **Not an experiment.**

Being the oldest and largest manufacturers of Oxygen Gas in the country, we desire to call the attention of the medical profession to the quality of the Oxygen Gas which we offer. With constant improvements on past experience in the method of producing Oxygen, we are able to put on the market a qualified gas, which we believe is unequaled for its quality. As the profession at large has come to realize the beneficent use of Oxygen for pneumonia, heart trouble, etc., we have devoted our attention to producing the same at the lowest possible cost, without in any way lessening the quality, in order that it may be within the reach of all.

The following is an unbiased analysis of the Oxygen Gas sold by the different manufacturers:

Manufacturers.	Oxygen.	Chlorine.	Carbon Dioxide.	Nitrogen.
Walton Oxygen Co.....	54.1	None	None	45.7
Eagle Oxygen Co.....	63.6	"	"	36.1
King Oxygen Co.....	64.6	"	Trace	35.0
American Oxygen Co.....	82.6	"	None	17.1
Underwood Oxygen Co.....	88.3	"	"	11.4
Murray Oxygen Co......	**91.3**	"	"	8.5

The above analysis was made by Professor George A. Furgeson, Ph. B., of the College of Pharmacy of the City of New York, also a Director of Department of Chemistry of the United Laboratories Co. of New York City.

BURN-BRAE,

A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.

OKLAHOMA.

CAPITAL, GUTHRIE.

Population of Territory, 398,331.

(U. S. Census of 1900.)

Number of Physicians, 1,003.

Oklahoma, meaning "Beautiful Land," was only a dozen years ago given up to the Indians and formed part of the Indian Territory. On April 22, 1889, it was opened to settlement by the proclamation of President Harrison, and in one day 50,000 people rushed in. The same day a national bank was opened. The United States Census, of 1900, shows a population of 398,331, and in addition 5,927 Indians not taxed. The opening of the Indian Reservation to settlement, August 1901, added many thousands to the population immediately. About 12,000 families received new lands, and became residents of the territory at that time. This means an accession of about 50,000 or 60,000 to the territory's inhabitants. No state of the original thirteen, except Virginia, had so many inhabitants when entering the new Union as Oklahoma has at this moment. It has a larger population than Vermont, North Dakota and several other states, twice as many people as Delaware; has cities and towns dotted over territory which was practically an Indian reservation two decades ago, has taxable property to the value of $150,000,000, and an annual production of wealth amounting to $75,000,000. It is bounded on the north by Kansas and Colorado, on the south by Texas and the Indian Territory, on the east by Missouri, and on the west by New Mexico. The Canadian and Arkansas rivers with their tributaries drain the territory. The climate is warm and dry, the western being the colder portion; the mean average temperature is 58 degrees. The mean annual rainfall is 31.2 inches. It is essentially an agricultural and stock-raising territory, its location, climate and arable soil uniting to produce magnificent crops of grain, cotton and all kinds of fruit, while the western prairies, covered with nutritious grasses afford grazing lands of the finest description. The cotton crop of Oklahoma for 1900 yielded over $6,000,000, and a notable product is the manufacture of cottonseed oil, which has grown up in connection with the rapid development of the cotton crop. Large sections are underlaid with coal deposits; salt and gypsum are plentiful, and iron ore has been found.

MEDICAL LAW OF OKLAHOMA.

AN ACT REPEALING CHAPTER EIGHT OF THE STATUTES OF OKLAHOMA, 1893, ESTABLISHING A BOARD OF HEALTH, AND FOR OTHER PURPOSES.

Be it enacted by the Legislative Assembly of the Territory of Oklahoma:

Section 1. There is hereby established a territorial board of health, composed of three persons, residents of this Territory, regularly practicing and legally qualified physicians in good standing, to be appointed by the governor and approved by the council. The term of office of each member shall be two years, and one member shall be designated by the governor as superintendent, who shall be ex-officio secretary of the board. The board shall elect one of its members as president and the other as vice-president.

Sec. 2. The president, when present, and the vice-president when the president is absent, shall preside at the meeting of the board. The secretary shall keep a record of the proceedings of the board and of his own proceedings as superintendent of the board of health. The board of health shall hold meetings every three months, due notice of the time and place to be given by the secretary.

Sec. 3. It shall be the duty of the board of health to examine applicants and grant licenses to those found to be qualified, and entitled to the same, to quarantine against outside territory known to be infected with contagious or infectious diseases, to condemn and destroy impure and diseased articles of food offered or exposed for sale in the Territory and to act in conjunction with the county and municipal boards of health.

Sec. 4. The salary of the superintendent of the board of health shall be eight hundred dollars per annum, and he shall be allowed for records, supplies, printing and traveling expenses actually and necessarily expended not to exceed five hundred dollars per annum, which shall be paid upon sworn itemized statements. The president and vice-president of the board shall receive no compensation except fees for examination of applicants for license to practice medicine and surgery, which shall be equally divided between them, and actual and necessary traveling expenses, not to exceed one hundred dollars each per annum.

Sec. 5. No person hereafter shall practice medicine or surgery in this Territory without first obtaining a license from the territorial board of health. Application for license shall be made in writing, together with a fee of five dollars, accompanied by a proof of good moral character, and proof of ten years' continuous practice, or proof of graduation from a reputable medical college. When the application has been inspected by the board and found to comply with the foregoing provisions, the board shall notify the applicant to appear for examination at a time and place designated in such notice. Examination shall be made in whole or in part in writing and be sufficiently strict to test applicant's qualifications to practice medicine. All members of the board shall be present and participate in such examination. It shall be the duty of the person holding such license to register in the office of the register of deeds, in a book kept for that purpose, in the county in which person resides or intends to practice. Provided, that an osteopath shall not be required to pass an examination in materia medica or therapeutics.

Sec. 6. Any person practicing or offering to practice medicine or surgery in any of their branches, without first having obtained a license from this board, shall be deemed guilty of a misdemeanor and upon conviction thereof shall be fined in any sum not less than fifty dollars nor more than one hundred dollars, or by imprisonment in the county jail for a period of not less than thirty days, nor more than six months, or by both such fine and imprisonment at the discretion of the court, and all costs incurred therein.

Sec. 7. The provisions of this act shall not affect the rights of persons now legally practicing medicine, osteopathy or surgery in this Territory, nor shall it prohibit the application of domestic remedies by one member of a family to another thereof; nor administering of remedies by another in case of emergency, without compensation; nor shall it comply to any commissioned medical officer of the United States army, navy, or marine hospital service, in the discharge of his official duties; nor to any legally qualified dentist, when engaged exclusively in the practice of dentistry; nor to any physician or surgeon from another state or territory who is a legal practitioner of medicine or surgery in the state or territory in which he resides, when in actual consultation with a legal practitioner of this Territory, nor to any physician or surgeon residing on the border of a neighboring state or territory and duly authorized under the law thereof to practice medicine or surgery therein, whose practice extends into the limits of this territory: Provided, that such practitioner shall not open an office or appoint a place to meet patients or receive calls within the limits of this Territory; nor to any osteopath who shall pass examination in the subjects of anatomy, physiology, obstetrics, and physical diagnosis in the same manner as required of other applicants before the territorial board of health, and who has thereupon received a certificate from the board which, when filed with the register of deeds, as is required in the case of other certificates from the board shall authorize the holder thereof to practice osteopathy in the Territory of Oklahoma, but shall not permit him to administer drugs nor to perform major surgery.

Cleveland Pasteur Institute
602 Hough Ave., Cleveland, Ohio.
Private Hospital for the Preventive Treatment of Hydrophobia.
H.R. BROWNLEE, M.D., Med. Director

Sec. 8. The county boards of health shall consist of three persons; a legally qualified physician appointed by the territorial superintendent, who shall be superintendent and secretary of the county board of health, the chairman of the county commissioners who shall be president, and a legally qualified physician appointed by the board of county commissioners who shall be vice-president. The superintendent of county boards of health shall have power to abolish nuisances that are dangerous to the public health, to isolate persons afflicted with dangerous or contagious diseases, and to do such other things with the approval of the board as may be deemed necessary for the preservation of the public health. Such superintendent shall be paid for expenses actually and necessarily contracted in the discharge of his duties, together with fees for duty performed: Provided, that the sum total of such expenses and fees shall not exceed one hundred dollars per annum. Such bills of expense and fees shall be filed with the county clerk and allowed by the board of county commissioners, and other bills are allowed by them. Provided further, that should an emergency exist on account of the prevalence of any dangerous epidemic, such county board of health may make such provision for the isolation and care of the sick as may be required, by and with the consent and approval of the county commissioners.

Sec. 9. Chapter eight of the statutes of Oklahoma, 1893, together with all acts and parts of acts in conflict herewith are hereby repealed.

Sec. 10. This act shall take effect and be in force from and after its passage and approval.

Approved March 12, 1903.

RULES FOR TERRITORIAL MEDICAL EXAMINING BOARD.

This Board will meet four times each year in regular session, March, June, September and December, to pass upon applications for registration for those who can qualify and are desirous of entering upon the practice of medicine and surgery in Oklahoma. In order to register in the Territory for the practice of medicine and surgery the applicant must pass an examination before the Board in the following branches, viz.: Anatomy, chemistry, physiology, materia medica and therapeutics, medical jurisprudence, surgery, obstetrics, physical diagnosis and the general practice of medicine, and attain a grade sixty-six and two-thirds per cent in each branch. Said examination to all be in writing and be kept on file in the office of the Secretary as a part of the record of this Board. The application fee of five dollars ($5.00) must accompany the application as a forfeit for non-appearance of applicant at specified time and in case of failure the applicant forfeits all claim on the Board for fee paid. In case of failure to attain the prescribed grade, he may again take the examination by filing a new application and additional fee with the secretary.

A complimentary grade of one-half per cent for each year actually engaged in practice will be allowed to those applicants who have spent more than five years in general practice if necessary to enable them to attain the requisite grade; provided that the applicant has not failed in more than three branches, and when an applicant has failed in but one branch the Board may exercise its discretion in granting said applicant a license.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ‡, Dentist. R D 1, Rural Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

C

OREGON.

CAPITAL, SALEM.

Population of State, 413,536.
(U. S. Census of 1900.)
Number of Physicians, 807.

The State of Oregon extends from 42 degrees to 46 degrees 18 minutes north latitude, and from 116 degrees 40 minutes to 124 degrees 25 minutes west longitude, and is bounded on the north by Washington, from which it is partly separated by the Columbia river, on the south by California and Nevada, on the east by Idaho, and on the west by the Pacific Ocean. It comprises an area of 95,274 square miles, or 60,975,360 acres, and is divided unequally by the Cascade Mountains.

The climate is mild, equable and salubrious, the mean annual temperature ranging from 44 degrees near the Cascade Mountains to 50 degrees in the vicinity of the Ocean. The average annual rainfall increases from 44 inches in the mountains to 60 near the sea coast.

The following table shows increase in population from 1850 to 1900:

1850	13,294	1880	174,768
1860	52,465	1890	313,767
1870	90,923	1900	413,5 6

For list of Medical Colleges, see page 152.

Established 1840
Four Years Course
For full particulars and catalogue address the Dean.

SYNOPSIS OF MEDICAL LAW REGULATING THE PRACTICE OF MEDICINE.

The State Board of Medical Examiners, consisting of three regulars, one homoeopathic and one eclectic physician, is appointed by the Governor.

Section 3 of the Medical Act reads: Every person desiring to practice medicine and surgery, or either of them, in any of their or its branches in the State, shall make a written application to said Board for a license so to do, which application shall be supported and accompanied by an affidavit of such application (applicant) setting forth the actual time spent by the applicant in the study of medicine and surgery, and when, whether such study was in an institution of learning, and if so, the name and location thereof, and if not in such (an) institution, where and under whose tutorship such study was prosecuted, the time said applicant shall have been engaged in the actual practice, if at all, of medicine and surgery, or either of them, and where the applicant was located during the time of such practice, and the age of the applicant at the time of making application; such application and affidavit to be filed and preserved of record in the office of the secretary of said Board. Such applicant, at the time and place designated by said Board, or at the regular meeting of said Board, shall submit to an examination in the following branches, to-wit: Anatomy, physiology, chemistry, materia medica, therapeutics, practice of medicine, surgery, obstetrics, diseases of women, medical jurisprudence and such other branches as the Board shall deem advisable. Said Board shall cause such examination to be both scientific and practical and of sufficient severity to test the candidate's fitness to practice medicine and surgery, which examination shall be by written or printed, or partly written or partly printed, questions and answers, and the same shall be filed and preserved of record in the office of the secretary of said Board. After examination, if the same is satisfactory, said Board shall grant a license to such applicant to practice medicine and surgery in the State of Oregon, which said license can only be granted by the consent of not less than four (4) members of said Board, except as hereinafter provided, in (and) which said license shall be signed by the presi-

PHYSICIANS' CASUALTY ASSOCIATION OF AMERICA.

A MUTUAL ACCIDENT ASSOCIATION FOR PHYSICIANS ONLY
See page 12. For particulars write E. E. ELLIOTT, Sec'y, OMAHA, NEB.

dent and secretary of said Board, and attested by the seal thereof. The fee for such examination shall be ten (10) dollars, and shall be paid by the applicant to the treasurer of said Board toward paying the expenses thereof; and such Board may refuse or revoke a license for unprofessional or dishonorable conduct, subject, however, to the right of such applicant to appeal from the decision of said board refusing or revoking such license, as hereinafter provided; provided, that all persons who have been regularly licensed under heretofore existing laws of this State, and have complied with the provisions thereof, shall be taken and considered as licensed physicians under this act, and the secretary of the Board herein provided for shall enter the names of such persons upon the register kept by him, as licensed physicians and surgeons, upon the written application of such person, accompanied with such license heretofore regularly issued.

The Board meets in Portland on the first Tuesday in January, April and July. No temporary permit granted.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homoeopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ⟨, Dentist. R D 1, Rural Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted.

BYNDEN WOOD

FOR THE TREATMENT OF NERVOUS DISEASES AND DISEASES OF WOMEN, INCLUDING MAJOR AND MINOR GYNECOLOGICAL SURGERY AND HYDROTHERAPY.

BYNDEN is a private Sanitarium situated on South Mountain, high among the foot-hills of the Blue Ridge, in one of the most beautiful and healthful sections of Eastern Pennsylvania, a region well known for fine air, pure water, and great natural beauties. The ridge on which it stands is twelve hundred feet above sea-level and commands extended views of both the Lebanon and Lancaster valleys. The house, which is spacious and modern, with large, sunny rooms and wide piazza, is built of native stone, and is equipped for winter as well as summer, being fitted with hot-air furnaces and many open fire-places. Only a limited number of patients are taken with the intention of preserving the quiet seclusion and comfort of a home and of avoiding institutional routine. Special attention is paid to the cuisine, to hydrotherapy, massage, and gymnastics. The walks and the drives are especially attractive.

Dr. Krum brings to her work here the fruit of many years' experience. She comes directly from Pottstown, where, in connection with a large general practice covering a period of eleven years, she has for several years conducted her own sanitarium. While no class of cases will be excluded [except the tubercular and insane] those to which she gives particular attention are nervous disorders and the diseases of women. In these lines she has met with signal success. Prior to her Pottstown experience, Dr. Krum worked for several years under a number of the most prominent gynecologists of New York City.

Wernersville is a little village of a few hundred inhabitants, two miles away, and can be reached from either New York or Philadelphia by through trains on the Philadelphia and Reading Railroad.

POLK'S DENTAL REGISTER

OF THE UNITED STATES AND CANADA.

THE SEVENTH REVISED EDITION, to be issued May 1st, 1906, will contain the names and addresses of **over 30,000 DENTISTS,** with **Graduation Particulars,** a list of all **DENTAL COLLEGES** in the United States and Canada, and a synopsis of the **STATE LAWS** for regulating the Practice of Dentistry, etc.; also a vast amount of other information of special interest to the Dental Profession, calculated to insure for it a large and general circulation.

It is the only standard and recognized Dental Directory and List of Dental Institutions and Societies in the United States and Canada.— **PRICE, $10.00 PER COPY.**

R. L. POLK & CO., Publishers. CHICAGO. BALTIMORE. DETROIT.

JOURNAL OF THE

Association of Military Surgeons of the United States

The Only Journal Devoted to the Military Aspects of Medicine, Surgery and Hygiene in America.

THE LEADING MILITARY MEDICAL JOURNAL IN THE WORLD.

ORIGINAL ARTICLES.

The Journal will, in each number, continue the publication of original papers of the high order which has hitherto characterized the work of the Association. Arrangements have been made for important memoirs relative to the medico-military conduct of campaigns in all lands and by all nations.

REPRINTS AND TRANSLATIONS.

The medico-military literature of other countries is freely laid under contribution, and all important articles in contemporary literature will be drawn upon.

MEDICO-MILITARY INDEX.

A complete medico-military bibliography—prepared by the Librarian of the United States Army Medical Library—comprising the entire medico-military literature of the world, is regularly published.

EDITORIAL DEPARTMENT.

An accomplished corps of collaborators will co-operate with the editor in presenting timely discussions, reviews, comments, and general information relative to current events of medico-military interest.

CIRCULATION.

The Journal has a larger aggregate circulation than any other military magazine published in America, and is the only periodical comprising in its clientele at the same time, officers of the three public services and the militia of the United States and many officers also of the services of other countries.

ADVERTISEMENTS.

Recognizing the benefit to the service of announcements of therapeutic advances and developments, and other facilities offered to its clientele, the Journal admits to its pages a number of advertisements, which, by their careful selection, are by no means the least useful of the facilities afforded by it.

TYPOGRAPHY AND ILLUSTRATION.

The Journal will continue to be printed in the best style upon heavy supercalendered paper and fine illustrations will continue to be freely employed whenever possible to elucidate the text by their use.

SUBSCRIPTION, $3.50 A YEAR, IN ADVANCE.

Free to Members of the Association of Military Surgeons of the United States.

Association of Military Surgeons,

CARLISLE, PENNSYLVANIA.

POLK'S NATIONAL DIRECTORIES.
We can furnish lists of any trade not included in the above.

R. L. POLK & CO., Publishers, DETROIT, MICH.

PENNSYLVANIA.

CAPITAL, HARRISBURG.

Population of State, 6,302,115.
(U. S. Census of 1900.)

Number of Physicians, 10,954.

Pennsylvania, one of the original thirteen states, had, according to the U. S. Census of 1900, a population of 6,302,115, as against 5,258,014 in 1890, representing an increase during the decade of 1,044,101, or 19.9 per cent. The following table shows the increase in population since 1790:

1790	434,373	1850	2,311,786
1800	602,365	1860	2,906,215
1810	810,091	1870	3,521,951
1820	1,047,507	1880	4,282,891
1830	1,348,233	1890	5,258,014
1840	1,724,033	1900	6,302,115

The total land surface of Pennsylvania is, approximately, 44,985 square miles, the average number of persons to the square mile at the censuses of 1890 and 1900 being as follows: 1890, 116.9; 1900, 140.1. It is the second state in the Union as regards wealth and population, extends from 39 degrees 43 minutes to 42 degrees 15 minutes north latitude, and from 74 degrees 40 minutes to 80 degrees 41 minutes west longitude, and is bounded on the north by the State of New York and Lake Erie, on the south by Delaware, Maryland and West Virginia, on the east by New York and New Jersey, and on the west by Ohio and West Virginia. It has the shape of a rectangle which is 303 miles long from east to west and 176 wide from south to north. Its boundaries are straight lines, with the exception of the eastern, which is formed by the Delaware river, and the western extremity of the northern, which is formed by Lake Erie. The state is naturally divided into three parts, a southeastern district of plains and scattered hills, a mountain belt of symmetrical and parallel ranges and a western table land of a rolling surface, deeply furrowed by fertile valleys. The principal rivers are the Susquehanna, Delaware, Lackawanna, Lehigh, Juniata, Monongahela, Schuylkill, Wyoming, Cumberland and Youghiogheny. The climate varies considerably with the elevation above the sea, and while the lower portions of the state have very hot summers, the higher portions have pleasant summers, but long and severe winters. The mean annual temperature ranges from 44 degrees in the northern counties to 52 degrees in the southeast, and the rainfall varies in like manner from 38 inches to 45 inches and even more in the southeast corner.

For list of Medical Colleges, see page 152.

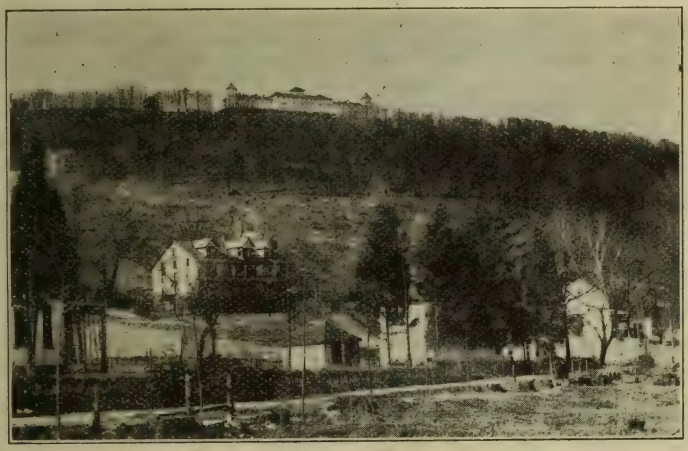
EASTON SANITARIUM

DR. C. SPENCER KINNEY, Proprietor



Extensive improvements have been made in and about the Easton Sanitarium during the past five years, so that now with three buildings, handsomely furnished rooms, modern conveniences, and the general air of home comfort which characterizes the place, it is specially adapted for the reception and care of those requiring rest and medical treatment, whether for nervousness, mild forms of mental trouble or drug habits. The fact that for over twenty years Doctor Kinney was Assistant Physician (late First Assistant) in the Middletown State Hom. Hosp., of New York, guarantees that a man of experience is in charge and that everything will be done for the comfort and improvement of the patient's condition. Address

Long Distance Phone--1661. Easton. **EASTON SANITARIUM, EASTON, PA.**

MEDICAL LAW OF PENNSYLVANIA.

An act to establish a Medical Council and three State Boards of Medical Examiners, to define the powers and duties of said Medical Council and said State Boards of Medical Examiners, to provide for the examination and licensing of practitioners of medicine and surgery, to further regulate the practice of medicine and surgery, and to make an appropriation for the Medical Council.

Whereas, The safety of the public is endangered by incompetent physicians and surgeons, and due regard for public health and the preservation of human life demands that none but competent and properly qualified physicians and surgeons shall be allowed to practice their profession.

Section 1. Be it enacted by the Senate and House of Representatives of the Commonwealth of Pennsylvania in General Assembly met, and it is hereby enacted by the authority of the same: That there shall be established a Medical Council of Pennsylvania, consisting of the Lieutenant Governor, the Attorney General, the Secretary of Internal Affairs, the Superintendent of Public Instruction and the President of the State Board of Health and Vital Statistics, and the Presidents of the three State Boards of Medical Examiners provided for in this act.

Sec. 2. The said council shall be known by the name and style of the Medical Council of Pennsylvania, and may make and adopt all necessary rules and regulations and by-laws not inconsistent with the Constitution and laws of this Commonwealth, or of the United States, and shall have power to locate and maintain an office within this state for the transaction of business. Five members of the said council shall constitute a quorum for the transaction of business.

Sec. 3. The said council shall organize at Harrisburg within ten days from the date of the organization of the three Boards of Medical Examiners, and shall elect from its own number a president and a secretary, who shall also act as treasurer, both of whom shall hold their offices for one year, or until their successors are chosen.

Sec. 4. The members of the said council shall receive no salary, except the secretary and treasurer, who shall receive a salary of not over $500, and who shall file with the president of the council a bond in the sum of $1,000 conditioned for the faithful performance of his duties. The necessary expenses of the said council shall be paid out of the appropriation made in section sixteen of this act, and any balance remaining from the appropriation after the disbursements herein specified shall be paid into the Treasury of the Commonwealth.

Sec. 5. The said Medical Council shall hold two stated meetings in each year at Harrisburg and may hold special meetings at such times and places as it may deem proper. It shall supervise the examinations conducted by the three State Boards of Medical Examiners of all applicants for license to practice medicine and surgery in this Commonwealth, and shall issue licenses to practice medicine and surgery to such applicants as have presented satisfactory and properly certified copies of licenses from State Boards of Medical Examiners, or State Boards of Health of other states, as provided for in section thirteen of this act, or have successfully passed the examination of one of the three State Boards of Medical Examiners, but all such examinations shall be made by the State Boards of Medical Examiners established in section six of this act. And the said Medical Council shall have no power, duty or functions except such powers, duties and functions as pertain to the supervision of the examinations of applicants for licenses to practice medicine and surgery, and to the issuing of licenses to such applicants as have successfully passed the examination of one of the State Boards of Medical Examiners, or have presented satisfactory and properly certified copies of licenses from State Boards of Medical Examiners, or State Boards of Health of other states, as provided for in section thirteen of this act.

Sec. 6. It is further enacted that from and after the first day of March, Anno Domini one thousand eight hundred and ninety-four, there shall be and continue to be three separate Boards of Medical Examiners for the State of Pennsylvania, one representing the Medical Society of the State of Pennsylvania, one representing the Homœopathic Medical Society of the State of Pennsylvania, one representing the Eclectic Medical Society of the State of Pennsylvania.

Each board shall consist of seven members, and each of said members shall serve for a term of three years from the first day of March next after his appointment, with the exception of those first appointed, who shall serve as follows: Two of each board for one year, two of each board for two years, and three of each board for three years, from the first day of March, Anno Domini one thousand eight hundred and ninety-four.

The Governor shall appoint the members of said Boards of Examiners, respectively, from the full lists of the members of the said medical societies, which list shall on or before the first day of January, one thousand eight hundred and ninety-four, and annually thereafter, be transmitted to the Governor under the seal and signed by the secretary of the society so nominating. From these lists of nominees, respectively, the Governor shall, during the month of January, Anno Domini one thousand eight hundred and ninety-four, appoint three separate Boards of Medical Examiners, each board to be composed exclusively of members of the same medical society. In case of failure of any or all of said medical societies to submit lists, as aforesaid, the Governor shall appoint members in good standing of the corresponding society or societies, entitled to nominate without other restrictions. Each one of the said appointees must be a registered physician in good standing and shall have practiced medicine or sugery under the laws of the state for a period of not less than ten years prior to such appointment.

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES. (See adv. in PHILADELPHIA.)

The Governor shall fill vacancies by death or otherwise, for unexpired terms of said examiners, from their respective lists submitted by the said medical societies, and may remove any member of any of said boards for continued neglect of the duties required by this act, or on recommendation of the medical society of which said members may be in affiliation for unprofessional or dishonorable conduct.

The Governor shall in his first appointments designate the number of years for which each appointee shall serve. The appointments of successors to those members whose term of office will expire on the first day of March of each year shall be made by the Governor during the month of January of such year, upon the same conditions and requirements as hereinbefore specified with reference to th appointment of three separate Examining Boards, each to be composed exclusively of members of the same medical school and society as hereinbefore provided.

Sec. 7. Said boards shall be known by the name and style of Boards of Medical Examiners of the State of Pennsylvania. Every person who shall be appointed to serve on either of said boards shall receive a certificate of appointment from the Secretary of the Commonwealth.

Each of said boards shall be authorized to take testimony concerning all matters within its jurisdiction, and the presiding officer for the time being of either of said boards, or ofany of the committees thereof, may issue subpœnas and administer oaths to witnesses. Each of said Boards of Examiners shall make and adopt all necessary rules, regulations and by-laws not inconsistent with the Constitution and laws of this State, or of the United States, whereby to perform the duties and transact the business required under the provisions of this act; said rules, regulations and by-laws to be subject to the aproval of the Medical Council of Pennsylvania established by this act.

Sec. 8. From the fees provided by this act the respective boards may pay, not to exceed said income, all proper expenses incurred by its provisions, and if any surplus above said expenses shall remain at the end of any year it shall be apportioned among said examiners pro rata according to the number of candidates examined by each: Provided, That the Medical Council shall keep separate accounts of all fees received from physicians applying for licenses to practice medicine or surgery and shall not devote any such fees to the use of the council, or to the uses or remuneration of any other Examining Board than that of the society with which the physician who pays the fee wishes to be affiliated.

Sec. 9. The first meeting of each of the Examining Boards respectively shall be held on the first Tuesday of April, one thousand eight hundred and ninety-four, suitable notice in the usual form being given with the notice of their appointment by the Secretary of the Commonwealth to each of the members thereof, specifying the time and place of meeting.

At the first meeting of each of the boards, respectively, an organization shall be effected by the election, from their own membership, of a president and secretary. For the purpose of examining applicants for license each of said Boards of Medical Examiners shall hold two or more stated or special meetings in each year, due notice of which shall be made public at such times and places as they may determine. At said stated or special meetings a majority of the members of the board shall constitute a quorum thereof, but the examination may be conducted by a committee of one or more members of the Board of Examiners duly authorized by said board.

Sec. 10. The several Boards of Medical Examiners shall not less than one week prior to each examination submit to the Medical Council of Pennsylvania questions for thorough examinations in anatomy, physiology, hygiene, chemistry, surgery, obstetrics, pathology, diagnosis, therapeutics, practice of medicine and materia medica; from the lists of questions so submitted the council shall select the questions for each examination, and such questions for each examination shall be the same for all candidates, except that in the departments of therapeutics, practice of medicine and materia medica, the questions shall be in harmony with the teachings of the school selected by the candidate.

Sec. 11. Said examinations shall be conducted in writing in accordance with the rules and regulations prescribed by the Medical Council of Pennsylvania and shall embrace the subjects named in section ten of this act. After each such examination the board having charge thereof shall without unnecessary delay act upon the same. An official report of such action signed by the president, secretary, and each acting member of said Board of Medical Examiners, stating the examination, average of each candidate in each branch, the general average and the result of the examination, whether successful or unsuccessful, shall be transmitted to the Medical Council. Said report shall embrace all the examination papers, questions and answers thereto. All such examination papers shall be kept for reference and inspection for a period of not less than five years.

Sec. 12. On receiving from any of said Boards of Medical Examiners such official report of the examination of any applicant for license, the Medical Council shall issue forthwith to each applicant who shall have been returned as having successfully passed said examination, and who shall have been adjudged by the Medical Council to be duly qualified for the practice of medicine, a license to practice medicine and surgery in the State of Pennsylvania. The Medical Council shall require the same standard of qualifications from all candidates, except in the departments of therapeutics, practice of medicine and materia medica, in which the standard shall be determined by each of the boards respectively. Every license to practice medicine and surgery issued pursuant to this act shall be subscribed by the officers of the Medical Council and by each medical examiner who reported the licentiate as having successfully passed said examinations. It shall also have affixed to it by the person authorized to affix the same the seal of this Commonwealth.

Before said license shall be issued it shall be recorded in a book to be kept in the office of the Medical Council, and the number of the book and page therein containing said recorded copy shall be noted upon the face of said license. Said

records shall be open to public inspection, under proper restrictions as to their safe keeping, and in all legal proceedings shall have the same weight as evidence that is given to the conveyance of land.

Sec. 13. From and after the first day of July, Anno Domini, one thousand eight hundred and ninety-four, any person not theretofore authorized to practice medicine and surgery in this State, and desiring to enter upon such practice, may deliver to the Secretary of the Medical Council, upon the payment of a fee of twenty-five dollars, a written application for license, together with satisfactory proof that the aplicant is more than twenty-one years of age, is of good moral character, has obtained a competent common school education, and has received a diploma conferring the degree of medicine from some legally incorporated medical college of the United States, or a diploma or license conferring the full right to practice all the branches of medicine and surgery in some foreign country; applicants who shall have received their degree in medicine after the first day of July one thousand eight hundred and ninety-four, must have pursued the study of medicine for at least three years, including three regular courses of lectures, in different years, in some legally incorporated medical college or colleges, prior to the granting of said diploma, or foreign license, and after the first day of July, eighteen hundred and ninety-five, such applicants must have pursued the study of medicine for at least four years, including three regular courses of lectures, in different years, in some legally incorporated medical college, or colleges, prior to the ganting of said diploma or foreign license. Such proof shall be made, if required, upon affidavit. Upon the making of said payment and proof the Medical Council, if satisfied with the same, shall issue to said applicant an order for examination before such one of the State Boards of Medical Examiners as the applicant for license may select. In case of failure at any such examination the candidate, after the expiration of six months and within two years, shall have the privilege of a second examination by the same board to which application was first made, without the payment of an additional fee: And it is provided further, That applicants examined and licensed by State Boards of Medical Examiners or State Boards of Health of other states, on payment of a fee of fifteen dollars to the Medical Council, and on filing in the office of the Medical Council a copy of said license certified by the affidavit of the president or secretary of such Board showing also that the standard of acquirements adopted by said State Board of Medical Examiners or State Board of Health, is substantially the same as is provided by sections eleven, twelve and thirteen of this act, shall without further examination receive a license conferring on the holder thereof all the rights and privileges provided by sections fourteen and fifteen of this act.

Sec. 14. From and after the first day of March, Anno Domini one thousand eight hundred and ninety-four, no person shall enter upon the practice of medicine or surgery in the State of Pennsylvania, unless he or she has complied with the provisions of this act, and shall have exhibited to the prothonotary of the court of common pleas of the county in which he or she desires to practice medicine or surgery, a license duly granted to him or her as hereinbefore provided, whereupon he or she shall be entitled upon the payment of one dollar to be duly registered in the office of the prothonotary of the court of common pleas in the said county, and any person violating any of the provisions of this act shall be guilty of a misdemeanor, and upon conviction thereof in the court of quarter sessions of the county wherein the offense shall have been committed, shall pay a fine of not more than five hundred dollars for each offense.

Section 15. Nothing in this act shall be construed to interfere with or punish commissioned medical officers serving in the army or navy of the United States, or in the United States Marine Hospital service while so commissioned, or medical examiners of relief departments of railroad companies while so employed, or any one while actually serving as a member of the resident medical staff of any legally incorporated hospital, or any legally qualified and registered dentist exclusively engaged in the practice of dentistry, or shall interfere with or prevent the dispensing and sales of medicines or medical appliances by apothecaries, pharmacists, or interfere with the manufacture of artificial eyes, limbs, or orthopedical instruments or trusses of any kind for fitting such instruments on persons in need thereof, or any lawfully qualified physicians and surgeons residing in other states or countries, meeting registered physicians of this State in consultation, or any physician or surgeon residing on the border of a neighboring State and duly authorized under the laws thereof to practice medicine and surgery therein whose practice extends into the limits of this State: Provided, That such practitioner shall not open an office, or appoint a place to meet patients or receive calls, within the limits of Pennsylvania, or physicians duly registered in one county of this State called to attend cases in another county but not residing or opening an office therein. And nothing in this act shall be construed to prohibit the practice of medicine and surgery within this commonwealth by any practitioner who shall have been duly registered before the first day of March, Anno Domini one thousand eight hundred and ninety-four, according to the terms of the act, entitled "An act to provide for the registration of all practitioners of medicine and surgery," approved the eighth day of June, Anno Domini one thousand eight hundred and eighty-one, and one such registry shall be sufficient warrant to practice medicine and surgery in any county in this commonwealth.

Section 16. The sum of two thousand dollars is hereby appropriated out of any moneys in the State Treasury, not otherwise appropriated, for the salary of the secretary and treasurer of said Medical Council and the necessary expenses of said council, one thousand dollars thereof for the year beginning January one, one thousand eight hundred and ninety-four, and one thousand dollars thereof for the year beginning January one, one thousand eight hundred and ninety-five.

Section 17. All acts or parts of acts of Assembly inconsistent herewith shall be and are hereby repealed.

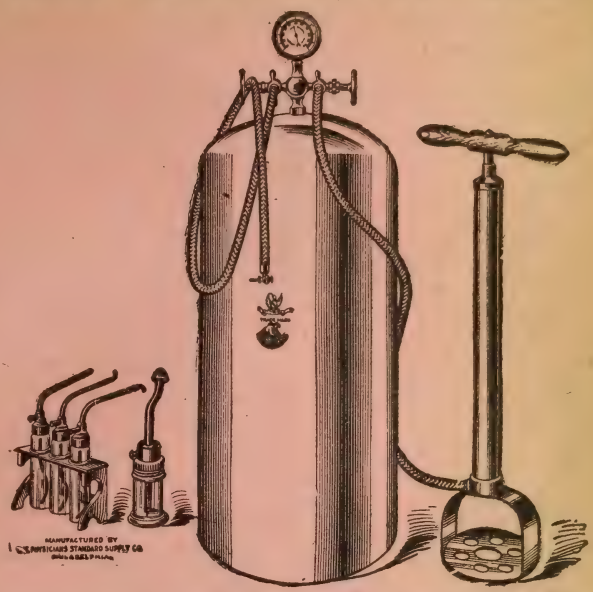
Approved—The 18th day of May, A. D. 1893.

COMPRESSED AIR OUTFIT, No. 103.

HANDSOMEST
AND
STRONGEST OUTFIT MADE.

The Cut Illustrates an Outfit, which Supplies a Long Felt Want....

IT IS THE STRONGEST AND MOST SATISFACTORY AIR RECEIVER MADE.



The air receiver is of cold drawn seamless steel, 10 x 28 inches, tested to 500 pounds to the square inch, finished in hard, polished enamel or bronzed in either silver or gold; special process, greatly superior to nickel plate, with air gauge and valves of the very best construction; two lengths silk covered tubing, and one of our improved ***Cut-Offs.***

☞**Note.**—We can furnish the thin nickel-plated tanks, but they are of very little use and soon become dented and tarnished, besides they are not over safe.

The pump is of superior construction and finish, with the silk covered tubing to connect with receiver. We furnish this pump with either metal or good oak base.

A SET OF GENUINE STANDARD SPRAYS

(made by Davidson) of all hard rubber and heavy glass, in rack, and either one improved Century Hand Nebulizer or a Globe (No. 5) Nebulizer are also included in complete outfit.

THIS HAND NEBULIZER

is of new design and can be used very conveniently to inflate and medicate the middle ear, naso-pharynx, larynx, bronchial tubes and lungs.

This is really the first strongly made (will stand 500 pounds pressure) compressed air outfit of practical size and reliable construction ever offered to the medical profession at a low price. We have endeavored to bring it within the reach of the general practitioner, who, by its use can successfully treat all ordinary respiratory and aural cases.

PRICES.

Air Receiver, handsomely finished, including silk covered tubings and cut-off, Cross Valves and Gauge	$24 00
Air Pump, No. 45, complete, wood or metal base (strong pump, easy to use)	4 00
Set of Sprays, with rack, as described	3 50
Hand Nebulizer, Century or Globe No. 5, if large hand bulb is required	2 00
Outfit No. 103, complete combination, as shown, Special Offer	22 50

☞**Note.**—Will include a set (making three in all) of Nebulizer jars and German silver screw caps with leather discs without extra cost. We have no objection in including a few dollars' worth of the prepared solution as found in the Physicians' Standard Formulary, gratis.

THE PHYSICIANS' STANDARD SUPPLY CO.

(Formerly the Globe Manufacturing Co., Eastern Division.)

301 to 304 Odd Fellows' Temple, PHILADELPHIA, PA.

Agencies—Boston, New York, Battle Creek, London, Madrid, Havana.

FORMULAE AND OUR NEW SPECIALTIES

It will always be our desire to continue (as we have in the past), to gather the valuable results of the practical experience of eminent physicians in all parts of the world.
Order the solutions **DIRECT** and thus avoid the **substituting** or use of **stale** or **lower grade** ingredients.

Nose, Ear, Throat and Lung Solutions,

Prepared ready for use, for **Nebulizers, Vaporizers, Multi-Nebulizers, Atomizers, Steam Inhalers, Etc.** :: :: :: :: ::

$2.00

$3.00

$1.50

$5.00 COMPLETE

The result of much valuable experience of eminent Medical men and well-known Medical institutions, including the U. S. Marine Hospital of Georgetown, Edinburg University, the Battle Creek and Wernersville Sanitariums; also of Prof. Sir Granger Stewart, Solis Cohen, M. D., Seth Scott Bishop, M. D., LL. D., H. M. Dunlap, M. D., Prof. Fletcher Ingals and Harrison Allen, M. D. Most of the preparations have been adopted by tens of thousands of physicians in this country, Great Britain, Germany, etc., the result being exceedingly gratifying.

Great help has been given us by above specialists and institutions.

R No. 21.

Per oz. 25c. 4 oz. $1.00 8 oz. $1.75

Chloretone and Oil of Cloves, comp.
Camphor-Menthol (Seth T. Bishop) dr. 2
Eucalyptus (80 per cent. Eucalyptol) m. 16
Oil-Balsam Q. S. oz. 8
Antiseptic, Protective, Soothing.

For **sore throat, hoarseness, cough, la grippe, laryngitis, pharyngitis, post-nasal catarrh.** Useful also when there is a discharge and when the disease has extended to the frontal sinus, antrum of highmore or eustachian tubes.

Recommended for public speakers, singers, etc., and for general use.

TRADE MARK

These Instruments will be sent prepaid to any address upon receipt of price.
These Instruments are Protected by Patents and Patents Pending.
☞TEN PER CENT. EXTRA allowed on the Solutions ordered in pint bottles.

The Physicians' Standard Supply Co., Building 117-125 N. Broad Street, Philadelphia, Pa.

PHYSICIANS' STANDARD FORMULARY

Selected from the Choicest Prescriptions of Eminent Physicians for Nebulizing and Spraying.

R No. 1.

2 oz. 40c. 4 oz. 60c. 8 oz. $1.10

Oil Scotch Pine Needles [Pinus]	m. 30
Aust. Oil Eucalyptus	dr. 1
Oil Cassia (pure)	m. 30
Camphor-Menthol	gr. 10
Ex. Balm Gilead Buds Fl. [new]	dr. 2
Balsam Oil Q. S.	oz 8

Antiseptic, Stimulant and Protective for Throat, Bronchial and Catarrhal Affections, and a preventative to infectious diseases of the respiratory organs, etc.—An excellent base.

R No. 1a. (Same price as No. 1.)

Antiseptic, Tonic, Aromatic and Protective. Less stimulating than No. 1. Used for same purposes. Can be used in all Sprays.

R No. 2.

Balm Gilead, Fl. Ext., Iodine, Canadian White Pine, Benzoin, Chloretone.

2 oz. 60c. 4 oz. $1.00 8 oz. $1.75

For public speakers and singers' **sore throat** and **hoarseness**; will give great satisfaction for severe **catarrhal affections.** To be used at any time to clear out and protect the larynx, throat, etc., it keeps the breath sweet and is also very useful as a protective. For all cases of congestion or pain, as in **tonsilitis** or **quinsy sore throat** and **coryzas**

R No. 5. (Hay Fever.)

1 oz. 40c. 2 oz. 70c. 4 oz. $1.45
8 oz. $2.35

Eucaine 33⅓ per cent.	gr. 15
Menthol	gr. 2)
Eucalyphtol	m. 20
No. 1a Sol. Q. S.	m. 20

Almost a specific for **hay fever** (rose cold) and **hay fever asthma**; also used by many for **diphtheria** and **whooping cough.** Very soothing and an excellent protective. For most severe cases use No 16 or 16a Suprarenal Solution first. (Most excellent results follow.)

R No. 15. (Pine Sol.)

2 oz. 45c. 4 oz. 75c. 8 oz. $1.30

Creosote [Beechwood]	m. 30
Spruce Pine	dr. 2
Camp. Menthol [S. S. Bishop]	dr. 4
Tar Oil Vaporine	oz. 2
Pure Oil Sabaline Q. S.	oz. 8

Germicide, Expectorant, Protective, Antituberculer. Splendid for curing **fetid catarrh** and **foul breath**; use for **phthisis.** Threatened or incipient **phthisis pulmonalis** and **phthisis bronchialis.** Use for first stage cases of tuberculosis. In severe cases immediately follow by No. 3 Sol.

R No. 16. (Hay Fever Spray)

(Milder than No. 16a.) See 16a.
By Dr. Chas. S. Turnbull.
Smallest Bottle 65c. Small $1.00
Medium $1.65 Large $2.80

Liquid Chloretone Comp.
Liquid Suprarenal Comp.
Oil Gaultheria.

Use ordinary atomizer or Vaporizer, etc. For **hay fever** (immediate results) **diphtheria, croup,** etc. (As a protective, use at least once a day Formula "No. 5".) Experience has proven this to be an exceedingly valuable remedy.—There has never been anything equal to it except No. 16a Sol. for hay fever affections. No failures.

R No. 16a.

Smallest Size 85c. Small $1.50
Med. $2.65 Large or Reg. $4.80

Adrenalin. Glycerine C. P.
Menthol and Oil Gaultheria.
Aqua, distilled and ozonized, Q. S.
(For Severe or Chronic Cases Hay Fever.)

Constringent, Hemostatic, Local Anesthetic, Antiseptic. This formula was given to us by Dr. S. Solis Cohen, as used on himself and on a great number of Hay Fever sufferers. He was "the first physician who used and recommended the Suprarenal Extract." No failures. This treatment is being advocated and used by almost every well-known specialist. See article in Aug. 11, 1900, Journal Am. Med. Asso., written by W. H. Bates, M. D.

PITTSBURG DENTAL COLLEGE

Department of Western University of Pennsylvania.

Pride and Bluff Streets, - PITTSBURG, PENN.

FACULTY:

Samuel Black McCormick, D.D., LL.D., Chancellor.

H. Edmund Friesell, D.D.S., Dean; Professor of Operative Technics and Crown and Bridge Work.

Owen L. Hertig, A.M., D.D.S., Professor of Operative Dentistry, Dental Pathology and Therapeutics.

John S. Ashbrook, D.D.S., Professor of Dental Anatomy, Comparative Dental Anatomy and Dental Medicine.

Stewart L. McCurdy, A.M., M.D., Professor Anatomy, Oral and General Surgery.

Clement R. Jones, M.D., Professor of General Pathology, Materia Medica and Therapeutics.

D. Willard Flint, D.D.S., Professor of Orthodontia.

Harry S. Haslett, D.D.S., Professor of Prosthetic Dentistry, Anæsthetics and Extracting.

William L. Fickes, D.D.S., Professor of Dental Ceramics.

Frederick A. Rhodes, M.D., Professor of Physiology and Embryology.

Albert F. Judd, Pharm.D., Professor of Physics, Chemistry and Metallurgy.

Frederick C. Friesell, D.D.S., Professor of General and Dental Histology.

LECTURERS:

John Miller Freeman, Lecturer on Dental Jurisprudence.

Russell H. Boggs, M.D., Lecturer on Electricity and Rœntgen Rays.

DEMONSTRATORS AND ASSISTANTS:

Edward C. Hawkins, D.D.S., Prosthetic Dentistry.

Harris D. Howard, D.D.S., Dental Ceramics.

Alexander E. Bard, D.D.S., Operative Technics and Dental Anatomy.

Robert Zugsmith, D.D.S., Crown and Bridge Work.

M. R. Gibson, D.D.S., Operative Dentistry.

Abram Christy Barclay, D.D.S., Operative Dentistry.

Frank Howard Magill, D.D.S., Operative Dentistry.

Wilton Allen Woodburn, M.D., Physiology.

Frederick John Blumenschein, Pharm.D., Chemistry.

Frank Smith Post, M.D., Anatomical Laboratory.

Andrew Bennett Wallgren, M.D., Anatomy.

William Haworth Robison, M.D., Anatomy.

Prof. Samuel Andrews, Superintendent Pittsburg Public Schools, Examiner of Students who desire to enter this College.

LIST OF PHYSICIANS

ARRANGED ALPHABETICALLY BY POSTOFFICES.

For Corrections and Names Received Too Late for Regular Insertion, see Supplement. Refer to Index for Location.

ABBREVIATIONS:

R., Regular; H., Homœopathic; Ecl., Eclectic; P. M., Physio-Medical; *, No report received; §, Holds certificate of Examining Board; †, Legally authorized under the "years of practice" section of the act; ¶, Druggist; ‹, Dentist. R D 1, Rural Delivery No. 1.

The postoffice address is shown in DISPLAY TYPE, the name of the county in which it is located immediately follows and then the population of the place. The names of physicians appear under the postoffice name, the first number (the key to which will be found on pages 145-189) indicates the college of graduation, and the last number the year in which diploma was granted

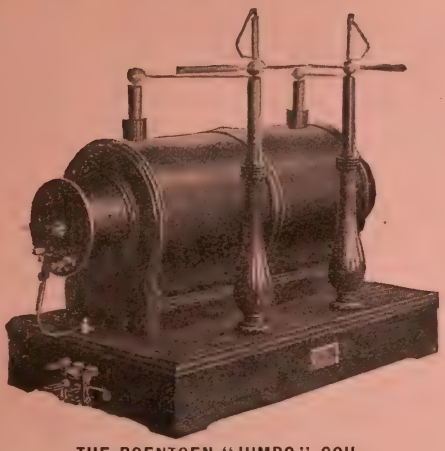
X-Ray Apparatus



THE ROENTGEN "JUMBO" COIL.

We supply complete X-Ray equipments of **highest quality;** suitable for hospital use or private practice.

Our "Roentgen" Coils are equipped with primaries having **variable inductance,** and in all respects represent the very latest improvements.

"Roentgen" Coils are provided with self-starting mechanical or electrolytic interrupters to operate on direct or alternating circuits; and are fully guaranteed against break down.

Interested physicians are invited to critically inspect our comprehensive working exhibit. It is well worth a special trip to Philadelphia.

WRITE FOR ILLUSTRATED CATALOGUE.

1114 Chestnut Street (6th Floor) - PHILADELPHIA

BURN-BRAE, A PRIVATE HOSPITAL FOR MENTAL AND NERVOUS DISEASES.

Founded by the late Robert A. Given, M. D., 1859.

CLIFTON HEIGHTS, Delaware County, Pa.

E. L. GIVEN, Proprietor. NATHAN S. YAWGER, M. D., Superintendent.
HERBERT C. STANTON, M. D., Assistant Physician.

This institution is located a few miles west of the city of Philadelphia, at Primos Station, on the Philadelphia & Baltimore Central Railroad, and is designed to accommodate a limited number of patients of each sex.

Burn-Brae has been in operation for almost half a century, and now numbers its friends in all sections of the Union. No better proof of the confidence reposed in its management by the profession and the community at large, could be given than the extensive improvements and additions that have been made during the last few years—not for the purpose of adding to the number of patients already provided for, but in order to increase the size of the old dormitories, and of erecting conservatories in the ladies' apartments.

The grounds, originally twenty-five acres in extent, have been increased to sixty acres, thus, besides securing to the inmates perfect privacy, affording them in their walks the pleasing variety of hill and valley, meadow, brook and woodland.

The fact is now fully recognized by Psychological Physicians that the less we treat the insane as exceptional beings, by immuring them in large hospitals under strict discipline and modes of life widely different from the social amenities of home, the more likely is recovery to take place. Hence the advantage of small establishments where the arrangements are home-like and familiar.

It is the desire of the management of Burn-Brae to make it in every respect a home for their guests. The location is beautiful and salubrious; the house, though possessing all the safeguards and appliances of a public hospital, in external appearance and internal arrangements presents nothing to unfavorably impress the inmates.

The agreeable and soothing influence of music; the in-door games of cards, chess, billiards, backgammon, tenpins, shuffleboard; the open air amusements of croquet, lawn tennis, cricket and football are provided for, and daily resorted to by patients.

Access from Philadelphia by the Baltimore Pike, or take cars for Primos Station, on Central Division of P., W. & B. R. R., Depot, Broad and Filbert Streets, Philadelphia.

All packages by express, postal and telegraphic communications should be addressed

BURN-BRAE, Clifton Heights, Delaware County, Pa.

Long Distance Telephone 17 Lansdowne, via Philadelphia.

THE BARR INSTITUTE

PHILADELPHIA, PA.

Founded 1884, by D. MILLER BARR, M. D.

For Chronic Diseases, and the Drink and Drug Habits.

WEST PHILADELPHIA INSTITUTES;

3332 Chestnut St. for Men. **3327 Chestnut St., for Women.**

Executive Offices and CHARITY DEPARTMENT,
3332 Chestnut Street, Philadelphia.

HENRY H. FAY, Treasurer. **AUSTIN HARRINGTON, Managing Director.**

Our "SPECIFIC" for Alcoholism is a Tonic Medicine. The Dose, 40 Drops, in water. Craving is satisfied, without NAUSEA, and appetite for food is at once set up. No Liquor, Morphia or Strychnia in any form is used, nor any Hypodermics used.

COURSE OF TREATMENT.—From three to six doses, as indicated, during the first two or three days. Three doses daily thereafter, during the first week. Two doses daily during the second week, and one dose daily, for continued tonic effect, during the third week.

If THE TREATMENT BE BY A MEDICAL MAN, **THEN THIS**—If the patient SHOULD HAVE ANY DESIRE FOR STIMULANT DURING THE THIRD WEEK, THE TREATMENT IS A FAILURE, AND THE FEE **MUST BE REFUNDED.** We have never seen it.

Alcoholism may be treated at the home of the Patient, or while he is attending to his ordinary business. We have records of cures, and the patient wonders why.

Doctor pays $25.00; charges, his pleasure.

Drug habits must be treated from three to six weeks, and in an institute.

Treatments may be had, SINGLE OR WHOLESALE, by any medical man.

Address, D. MILLER BARR, M. D., Proprietor and Medical Director,
3332 Chestnut St., PHILADELPHIA, PA.

STEVENS' POCKET VAPORIZER, CONTAINING NOSE AND MOUTH PIECE includes an attachment for a hand bulb, also for a cut-off. Is the finest Pocket Vaporizer manufactured. Price $1.00, with solution to last a year. Price per dozen, $6.00.

PHYSICIANS STANDARD SUPPLY CO., PHILADELPHIA, PA., (See adv. opp. Pennsylvania Physicians.)

THIS IS THE FIRST AND ONLY STRICTLY ETHICAL POST-GRADUATE SCHOOL OF ELECTRO-THERAPEUTICS IN PENNSYLVANIA.

PHILADELPHIA POST-GRADUATE SCHOOL OF ELECTRO-THERAPEUTICS AND ROENTGEN PHOTOGRAPHY.

No. 1639 North Broad Street, PHILADELPHIA, PA. Long Distance Phone Poplar 66-17A.

OUR OBJECT is to elevate the practice of **Electro Therapy** to its proper place in medicine, and to attain this purpose we shall allow none but Physicians and Students of Medicine to take our course.

OUR METHODS OF INSTRUCTION, many of which are **Original** and **Peculiarly Our Own,** and the **Result** of a **Long** and **Wide Experience,** will be **Didactic** and **Clinical,** as opportunity affords; and as we always have an **Abundant Clinical Material,** there is no other **School of Electro-Therapeutics** in this country that can give their **Students** the advantages that we offer.

IN OUR CLINICAL LECTURE HALL, which has a seating capacity for nearly two hundred **Physicians,** we drill our **Students** by **Practical Work** until they have become **Thorough, Artistic** and **Finished** in every detail of **Electro-Therapeutic Work.**

TERMS:

Our Full Course of General Instruction is given in Three Special Courses of One Month Each. Fee for the Full Three Months' Course (payable in advance) $100.00.

Fee for each Special Course (payable in advance) $50.00.

A Special Two Weeks' Course of Instruction is given for Twenty-five Dollars to the **Busy Practitioner,** in which they are taught the care of their machines, the handling of their patients, the practical uses of the various Electrical Currents, including **X-Ray** and **Ozone** treatments, the correct technique of current applications, including **The Laws of Resistance, Pressure, Choice of Currents, Dosage, Electrodes, Etc.**

This Special Course is given to instruct the physician in a General way, and to fit him for treating all ordinary cases that may come within his practice.

IN OUR SANITARIUM, which is connected with our School, physicians can treat their own patients under our supervision when desired, and as our accommodations for the private Treatment of Chronic, Malignant and Nervous Diseases are of the best, we beg to announce that all patients sent to us by Members of the Profession will receive scientific treatment, and reports of their progress sent daily or weekly, as desired. For further information address all communications to

DR. THOMAS EDWIN ELDRIDGE,

1639 North Broad Street, - - - - - - PHILADELPHIA, PA.

Practice Limited to the Treatment of Chronic, Malignant and Nervous Diseases by Electric Currents, Radium, X-Ray, Ultra Violet Ray, Light, Heat, Ozone and Mechanical Vibration.

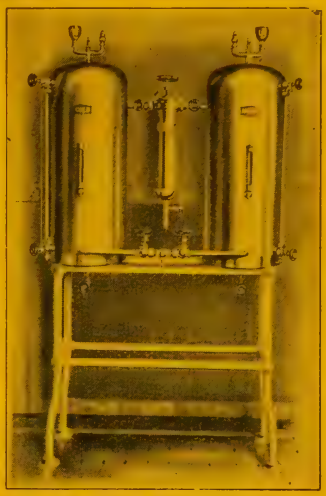
We also build



WATER STERILIZER

Water Distilling Apparatus and Steam Pressure Disinfectors for Institutional and Health Department Service

AMERICAN STERILIZER CO., ERIE, PA., U. S. A.

The No. 5 Baldwin Table

Automatic in action. Simple in construction.

The heaviest patient can be handled by the nurse with one finger.

Mayo's Gallstone and Kidney bridge a new feature.

Send for our Hospital Furniture Catalogue.

MAX WOCHER & SON,

Hospital and Office Supplies,

19 to 21 West Sixth Street, Cincinnati, O.

PECORA DRESDEN CHINA ENAMEL

a beautiful imitation of glazed tile, guaranteed non-porous and non-poisonous. Useful in PUBLIC and SANITARY INSTITUTIONS.

Produces a hard glazed, mirror like surface and makes all places clean—can be washed with soap and water. **PRICE: $4.50 PER GALLON.**

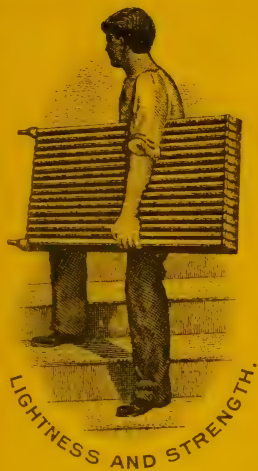
PECORA UNDERCOATING---a prepared ready mixed primer—entirely free from lead—especially adapted for a priming coat under our DRESDEN CHINA ENAMEL. **PRICE: $3.00 PER GALLON.**

PECORA PAINT CO., S. BOWEN'S SON, PHILADELPHIA, PA.

"Dressings come from "American" Sterilizer perfectly dry one minute after steam is shut off; a feature rather unusual."—Dr. David N. Dennis, Erie, Pa.

"In simplicity, in quickness and ease of operation, and in perfection of results accomplished, I consider the "AMERICAN" Sterilizer without equal."—J. H. Kellogg, M. D., Battle Creek, Mich.

KINNEAR PRESSED RADIATORS



ARE IDEAL FOR

HOSPITALS, SANITARIUMS

AND

INVALIDS' APARTMENTS

Are ABSOLUTELY SANITARY, due to their Smooth Surface, Copper Plating and Ease in Cleaning.

They comprise Beauty, Efficiency, Lightness in Weight and **Compact** Construction, with quick results.

They weigh less than **One-Fourth** of Cast Iron.

They require but one-half the floor space.

They may be **Plated** to harmonize with interior hardware.

They are made from the best grade of Sheet Iron, and thoroughly Galvanized Inside and Outside.

Every Radiator is Thoroughly Tested before leaving the Factory.

Write for Catalogue No. 6 or consult your Heating Engineer.

KINNEAR PRESSED RADIATOR COMPANY,

Pittsburgh *New York* *Chicago*

STEEL DIE EMBOSSED STATIONERY

USE GOOD STATIONERY

While it costs more, the extra expense is easily made up by the impression given. Good Stationery is the best kind of Advertising. We print only from Steel Dies and Copper Plates, our output being Business and Social Stationery, Cards, Invitations and Announcements. Samples and quotations on request.

American Embossing Co.

Suite 404, Seneca Bldg.

BUFFALO, N. Y., U. S. A.

THE UNDERWOOD TYPEWRITER

AWARDED THE

Grand Prize at St. Louis, 1904

AND

Portland Exposition, 1905.

VISIBLE FROM DATE TO SIGNATURE
DURABLE BEYOND QUESTION
ACTION, THE LIGHTEST
SIMPLICITY ITSELF.

"If you try it, you will buy it."

UNDERWOOD TYPEWRITER CO.,

BUFFALO, N. Y.

"We have operated our "AMERICAN" Sterilizers several times, putting them through the most severe tests possible, and are pleased to say they are all you claim."—J. O. Camiraud, Medical Director, Sacred Heart Hospital, Sherbrooke, Que.
